How to write a course summary?

What are the 5 steps to summarizing?

How to start a summary? A summary begins with an introductory sentence that states the text's title, author and main point of the text as you see it. A summary is written in your own words. A summary contains only the ideas of the original text. Do not insert any of your own opinions, interpretations, deductions or comments into a summary.

What are the basics of phonetics?

Why is it important to study phonetics? Phonetics not only guides the learner in decoding the sound, it also helps them to know how a word must be spelt out while writing. When you spell a word with a phoneme, it is called Grapheme. Graphemes

are the symbols that are used to identify a single phoneme – a letter or group of letters that represent the sound.

What do people learn in phonetics? Phonetics is a branch of linguistics that studies how humans produce and perceive sounds or, in the case of sign languages, the equivalent aspects of sign. Linguists who specialize in studying the physical properties of speech are phoneticians.
