[Download Complete File](#)

What happens in chapter 3 of Brave New World? Summary: Chapter 3. The Director leads the students to the garden, where several hundred naked children are playing. The Director remarks that "in Our Ford's day," games involved no more than a ball or two, a few sticks, and maybe a net. Such simple apparatus did nothing to increase consumption.

Why does Fanny criticize Lenina? Fanny thinks that Lenina is becoming too involved with Henry as she isn't seeing other men. Fanny is concerned that Lenina may get attached to Henry in a romantic way, so she encourages her to go on dates with other men and "have them".

What is chapter 4 Brave New World about? What happens in chapter 4 of a Brave New World? In Chapter 4, Lenina accepts Bernard's invitation to the Savage Reservation. Bernard also has to contend with seeing Lenina go on a date with Henry Foster and listen to Benito Hoover make a comment about Lenina's appearance.

Why is Bernard shunned by most people? Why is Bernard shunned by most people? He doesn't like Obstacle Golf, and spends his time alone. But he is shunned most importantly because they say someone accidentally added alcohol in his blood surrogate when they were creating him that's why his physique doesn't match his caste.

What happens in chapter 3 of As Brave as You? Chapter 3 Summary Genie discovers that his grandfather carries a gun, and is both intrigued and made uneasy by the fact. By the time Genie screws up the courage to ask Brooke about it, his

grandfather says that question time is over.

Who is Mustapha Mond talking to in chapter 3? In Chapter 3 of Brave New World, Mustapha Mond talks to a tour group, depicting old ways of life as chaotic so he can inspire order.

Why did John hit Lenina? In John's eyes, if Lenina is not a prize to be won through suffering, then she must be a whore — a "strumpet" to be scorned. John's early experience has taught him to associate sex with violence, and his conditioning suddenly takes over as his romantic vision of Lenina disappears.

Why is John attracted to Lenina? In Brave New World, John is the son of Linda, a woman who was accidentally left behind on a tour of a "'savage'" reservation. John has been raised in this culture that prizes marriage and manhood and is taken back to his mother's society as an experiment. John is attracted to Lenina because of her beauty.

What does Fanny warn Lenina about? Fanny warns her that it is unseemly to become obsessed over one man and that she should find someone else to take her mind off of him. Lenina replies that she wants only John. Other men simply cannot distract her. Lenina takes soma and visits John, intending to seduce him.

Why does Bernard keep thinking about Lenina and meat? Also, Bernard feels upset since Henry and the Assistant Director discussed Lenina Crowne as a piece of meat worth having, alluding to the recreational sex that society encourages.

Why does Lenina hate the color khaki? Expert-Verified Answer. Lenina hates the color khaki because it belongs to the Delta, one of the lower caste, made up of individuals of low intelligence who work in factories or as drivers of vehicles. As she is of a superior caste, she considers everything assimilable to the lower castes as ugly or unimportant.

What is Bernard insecure about? Bernard is an Alpha citizen who, by some mischance, is physically much smaller than Alphas are supposed to be. Bernard's small stature has given him an inferiority complex. As a result, he feels like an outsider to World State society.

Who is Bernard jealous of? John and Helmholtz meet, and they take to one another right away. Bernard is jealous of their affection for one another and wishes he had never brought them together. He takes soma to escape his feelings.

What happened in chapter 3 of Brave New World? In this chapter, the D.H.C.'s tour moves outside into the garden, where the students watch very young children engaged in sexual games. The D.H.C. tells the students — to their shock — that such erotic play seemed abnormal in the time before Ford.

Why does Bernard reject Soma? Soma is not an option in Bernard's world because it does not make him feel like himself. People take soma to forget about their problems and it also helps them feel emotionless. Bernard states, "I'd rather be myself... myself and nasty," (Huxley 89). Bernard is an individual and it does not give him true happiness.

What happened in chapter 3 call it courage? Chapter 3 Summary: "The Island" He is weak with hunger and thirst, and notices a coral wound on his calf. Upon hearing the nearby trickle of water, Mafatu first tends to his overwhelming thirst. He thinks about all the things he must do to survive and credits Maui with bringing him safely to the island.

Does Bernard sleep with Lenina? Eventually, he takes a large dose of soma and has sex with her. The next day, Bernard tells Lenina that he did not really want to have sex with her the first night; he would have preferred to act like an adult instead. Then he goes to get the Director's permission to visit the Reservation.

What does John do that scares Lenina? What does John do that scares Lenina? He tries to manipulate and seduce her. He chooses other girls instead of her. He talks about long-term relationships.

Why does Bernard reject Soma? Soma is not an option in Bernard's world because it does not make him feel like himself. People take soma to forget about their problems and it also helps them feel emotionless. Bernard states, "I'd rather be myself... myself and nasty," (Huxley 89). Bernard is an individual and it does not give him true happiness.
