Three Years Later: In Too Deep

Three years have passed since the disappearance of Casey McMillin, a Connecticut mother of two who vanished on September 14, 2019. The case remains unsolved, leaving her family and community devastated and desperate for answers.

What Happened to Casey McMillin?

Casey McMillin was last seen leaving her home in Plainville, Connecticut, around 6:00 PM. She was driving her Jeep Wrangler and heading to a gym in nearby Bristol. Security footage captured her leaving her neighborhood, but she never arrived at the gym. Her Jeep was later found abandoned near a hiking trail in Thomaston, Connecticut.

Suspect Identified but No Charges Filed

In the years since Casey's disappearance, investigators have focused their attention on a person of interest named Brian Kennedy, a former co-worker of Casey's. Kennedy has been questioned by police multiple times, but no charges have been filed against him.

Motive and Evidence

The motive for Casey's disappearance remains unclear. Some speculate that it may have been related to her extramarital affair with Kennedy. However, Kennedy has denied any involvement in Casey's disappearance.

Ongoing Investigation

The investigation into Casey McMillin's disappearance remains active. Law enforcement officials continue to collect evidence and interview witnesses. They have conducted numerous searches of areas where Casey's body may be located, but they have not yet found any conclusive evidence.

Hope for Justice

Despite the passage of time, Casey McMillin's family and friends remain hopeful that she will be found alive. They continue to organize search parties and raise awareness about the case in the hopes that someone will come forward with information that will lead to her whereabouts.
