

# Australian mathematics competition amc results

## Download Complete File

**How to check AMC results?** log on to your AMC candidate account. go to the results page. request verification of your result.

**What is a good score on the AMC math competition?** A sensible final target is 120 points on the AMC 10, or 100 points on the AMC 12, since these are the historical cutoffs for qualifying for the next round (known as the AIME). The average score on these AMC exams is about half those target scores: about 60 on AMC 10, or 50 on AMC 12.

**What are the awards for AMC math competition?** The top three students for each school section will receive respectively a gold, silver, or bronze Certificate for Outstanding Achievement. An AMC 8 Honor Roll Certificate is given to all high scoring students. An AMC 8 Merit Certificate is given to high scoring students who are in 6th grade or below.

**How many people participated in the AMC?** In 2021, nearly 40,000 students from over 2,000 primary and secondary schools across the country participated in AMC and achieved very good results! There are 5 difficulty levels, suitable for students from the year 3 to year 12.

**What is the best score for AMC?** Perfect Scores recognizes students with a perfect score of 150.

**How to get AMC scores?** The scoring process takes about 3 to 4 weeks from your competition date. You'll get your score by email. The AMC office is happy to help you out if you haven't received your scores anytime 30 days after you've competed. You

can call them at (800) 331-1622 or email [maaservice@maa.org](mailto:maaservice@maa.org).

**Is AMC 10 harder than SAT?** While colleges also look at standardized tests such as the SAT, contests like the AMC are not only more difficult but are pre-selective, since typically only people who are decent at math to begin with will take the test, which means that being in the top 10% of AMC scorers will put you in a smaller pool of people than ...

**Does MIT ask for an AMC score?** Does MIT ask for AMC/AIME scores which are miles above the SAT Math Subject tests? Yes, they are accepted on the application. Many of the undergrads at MIT qualified for the AIME. A substantial number qualified for the USAMO or IMO as well - just look at the Putnam results every year.

**How many people get a perfect score on AMC 8?** HEARTFELT CONGRATULATIONS TO THE STUDENTS WHO EARNED TOP SCORES ON THE 2024 AMC 8 CONTEST! 10 of our students were among the top 116 worldwide winners (Perfect Scorers). 54 students received National Distinguished Honor Roll Certificates awarded to top 1% test takers. They were among the 697 worldwide winners.

**Is AMC 10 A or B harder?** What is the difference between AMC 10A and 10B? These two versions of AMC 10 have different competition dates, and each version has a distinct set of questions, although the two examinations are designed to be equal in difficulty and distribution of topics.

**What is the most prestigious math competition in the world?** The International Mathematical Olympiad (IMO) is a mathematical olympiad for pre-university students, and is the oldest of the International Science Olympiads. It is “the most prestigious” mathematical competition in the world.

**What type of math is on the AMC?** AMC tests mathematical problem solving with arithmetic, algebra, counting, geometry, number theory, and probability, with far more cross-over between the subject areas than in nearly all classrooms.

**What is a good score in AMC?** For the AMC 10, typically scores of 110+ will qualify for AIME, but these vary by year and have often been lower in recent years. For the AMC 12, typically scores of 100+ will qualify for AIME, but these vary by year and

have often been lower in recent years.

**What is the full score of the Australian math competition?** Total 135 marks

There is no penalty for incorrect responses. All students receive an award according to the criteria below.

**How is the AMC math competition scored?** The AMC 10 and AMC 12 each have 25 questions. You have 75 minutes for the entire exam. Each correct answer is worth 6 points (for a maximum score of 150) and each unanswered question is worth 1.5 points. There is no deduction for wrong answers.

**How do I check my AMC rewards?** View Your Account Once you have registered your membership online, you can log into your account here or via the AMC mobile app to view your current balance, see recent transactions, redeem rewards and manage your membership.

**How to find AMC 8 results?** The results for last year's AMC 8 have now been published on the official AMC website: <http://amc-reg.maa.org/reports/generalreports.aspx>. Once again Olympiads achieved first place in Canada amongst Canadian middle schools (Due to restrictions in registration, we've been using the name Victoria International College).

**How do I check my AMC voucher?** What is the current balance of my AMC Gift Card? Please visit any AMC Theatre, check your balance here, or call 1-800-255-0311 for balance inquiries.

**How to calculate AMC 8 score?** The AMC 8 consists of 25 questions to be completed in a 40-minute time limit, with a maximum achievable score of 25 points. The scoring rules are as follows: Correct answers earn 1 point. Incorrect answers receive 0 points.
