

# CHAPTER 15 SECTION 2 GUIDED READING LANGHEORE

## Download Complete File

**What was significant about the presidential election of 1936 chapter 15 section 2?** -1936, Democrats win presidency, large majority in both houses. -First times most African Americans vote Democratic. -First time labor unions support presidential candidate.

**What were two of Taft's achievements?** Often overlooked in the record of Taft's presidency were his achievements, including his trust-busting efforts, his empowering of the Interstate Commerce Commission (ICC) to set railroad rates, and his support of constitutional amendments mandating a federal income tax and the direct election of senators by the people ...

**Why was the 1936 election so important?** Roosevelt's 523 electoral votes marked the first of only three times in American history when a presidential candidate received over 500 electoral votes in a presidential election (the others being in 1972 and 1984) and made Roosevelt the only Democratic president to accomplish this feat.

**How did the Second New Deal try to protect workers?** Later, a second New Deal was to evolve; it included union protection programs, the Social Security Act, and programs to aid tenant farmers and migrant workers.

**What are 2 facts about William Taft?**

**What important events happened during Taft's presidency?** May 26 - Taft chooses the design of the Lincoln cent. June 16 - Taft recommends to Congress that an income tax amendment be made to the Constitution. June 28 - Taft hosts the first

meal to be served on the roof of the White House. July 12 - Taft establishes the Oregon Caves National Monument and Preserve.

**Which two states did Taft win?** Taft carried 23% of the national vote and won two states, Vermont and Utah. Debs, the fourth-place finisher, won no electoral votes but received 6% of the popular vote, which remains the highest percentage of the vote ever won by a socialist candidate in the history of US presidential elections.

**What was the outcome of the 1936 presidential election?** In the presidential election, incumbent Democratic President Franklin D. Roosevelt won re-election, defeating Republican Governor Alf Landon of Kansas. Roosevelt took every state but Vermont and Maine, winning with the fourth-largest electoral vote margin in American history.

**What was significant about the presidential election of 1936 quizlet?** The election marked the first time that most African Americans had voted Democratic rather than Republican. It also marked the first time that labor unions gave united support to a presidential candidate. Nevertheless, the New Deal was popular.

**What was the end result of the 1936 Literary Digest presidential election poll?** In 1936, the magazine's poll concluded that Republican candidate Governor Alfred Landon of Kansas was likely to be the overwhelming winner against Democratic incumbent President Franklin Delano Roosevelt, with 57.08% of the popular vote and 370 electoral votes.

**What ended the Great Depression?** Despite all the President's efforts and the courage of the American people, the Depression hung on until 1941, when America's involvement in the Second World War resulted in the drafting of young men into military service, and the creation of millions of jobs in defense and war industries.

**How did three specific groups of people benefit from the Second New Deal?** It included programs to redistribute wealth, income, and power in favor of the poor, the old, farmers and labor unions. The most important programs included Social Security, the National Labor Relations Act ("Wagner Act"), the Banking Act of 1935, rural electrification, and breaking up utility holding companies.

**What caused the Great Depression?** What were the major causes of the Great Depression? Among the suggested causes of the Great Depression are: the stock market crash of 1929; the collapse of world trade due to the Smoot-Hawley Tariff; government policies; bank failures and panics; and the collapse of the money supply.

**Which president was buried in a piano box?** Taft, in life weighing 330 pounds, in death is haunted by the rumor that he had to be buried in a piano box (which isn't true, but hard to forget).

**How heavy was Taft?** He was 5 feet 11 inches (1.80 m) tall and his weight was between 325 pounds (147 kg) and 280 pounds (130 kg) toward the end of his presidency. He had difficulty getting out of the White House bathtub, on June 10, 1909, so he had a 7-foot (2.1 m) long, 41-inch (1.0 m) wide tub installed.

**What party was Teddy Roosevelt?** He was the vice president under President William McKinley for six months in 1901, assuming the presidency after McKinley's assassination. As president, Roosevelt emerged as a leader of the Republican Party and became a driving force for anti-trust and Progressive policies.

**Did Taft serve two terms?** William Howard Taft (September 15, 1857 – March 8, 1930) was the 27th president of the United States, serving from 1909 to 1913, and the tenth chief justice of the United States, serving from 1921 to 1930, the only person to have held both offices.

**What are some fun facts about William Howard Taft?**

**What were 2 of Taft's biggest achievements in his tenure?** Angry politics diminished appreciation for Taft's many achievements. He signed the first tariff revision since 1897; established a postal savings system; formed the Interstate Commerce Commission; and prosecuted over 75 antitrust violations, far more than pursued by the "trust-buster" Theodore Roosevelt.

**Who did Taft run against for President?** Republican Party nominee William Howard Taft defeated three-time Democratic nominee William Jennings Bryan.

**Who was President during the Titanic?** William Howard Taft | The White House.

**Who did Teddy Roosevelt replace?** Roosevelt became president following the assassination of McKinley by anarchist Leon Czolgosz in Buffalo, New York; Czolgosz shot McKinley on September 6, 1901, and McKinley died on September 14. Roosevelt was sworn into office on the day of McKinley's death at the Ansley Wilcox House in Buffalo.

**What was significant about the presidential election of 1936 quizlet?** The election marked the first time that most African Americans had voted Democratic rather than Republican. It also marked the first time that labor unions gave united support to a presidential candidate. Nevertheless, the New Deal was popular.

**What was wrong with the 1936 Literary Digest poll conducted during the presidential campaign quizlet?** So, the sample was biased toward the relatively well-off, whose majority is associated with the Republican party. (Landon was a Republican nominee). As a consequence, the conclusion of the poll (which predicted a Landon victory) was incorrect.

**How did Americans respond to President Franklin Roosevelt's court packing plan after the 1936 election quizlet?** How did Americans respond to Roosevelt's court-packing plan after the 1936 election? Americans believed that the Supreme Court should be free from political interference. -The president had not reckoned with Americans' deeply rooted deference to the independent authority of the Supreme Court.

**Why was the presidential election of 1856 reflective of the growing weakness of the forces of national unity quizlet?** Why was the presidential election of 1856 reflective of the growing weakness of the forces of national unity? No candidate could achieve broad national support or a majority of the popular vote.

**What were the results of the 1936 presidential election?** In the presidential election, incumbent Democratic President Franklin D. Roosevelt won re-election, defeating Republican Governor Alf Landon of Kansas. Roosevelt took every state but Vermont and Maine, winning with the fourth-largest electoral vote margin in American history.

**What was the end result of the 1936 Literary Digest presidential election poll?**

In 1936, the magazine's poll concluded that Republican candidate Governor Alfred Landon of Kansas was likely to be the overwhelming winner against Democratic incumbent President Franklin Delano Roosevelt, with 57.08% of the popular vote and 370 electoral votes.

**Who won the presidential election in 1932 and 1936?** Roosevelt also bettered the national record of 444 electoral votes set by Hoover only four years earlier, but would shatter his own record when he was re-elected in 1936 with 523 votes.

**Why did George Gallup predict the 1936 presidential election accurately while the Literary Digest did not quizlet?** Why did George Gallup predict the 1936 presidential election accurately, while the Literary Digest did not? Gallup used a smaller but more representative sample than the Literary Digest did.

**Which of the following is an aggregate measure of the beliefs, attitudes, judgments, and or preferences of a population over matters of public concern?** public opinion, an aggregate of the individual views, attitudes, and beliefs about a particular topic, expressed by a significant proportion of a community.

**What have preliminary studies of twins suggested about the formation of political attitudes?** Twin studies show that political ideology is about 40% heritable. More sophisticated designs also find a substantial genetic influence on ideology. Recent studies have examined how genes connect to ideology, finding some evidence that psychological traits may link genes and ideology.

**Why did the court-packing plan fail?** Other reasons for its failure included members of Roosevelt's own Democratic Party believing the bill to be unconstitutional, with the Judiciary Committee ultimately releasing a scathing report calling it "a needless, futile and utterly dangerous abandonment of constitutional principle ...

**What was FDR's main reason for packing the Supreme Court quizlet?** Why did FDR attempt to "pack" the Supreme Court? Concerned that the conservative Supreme Court might declare all his New Deal programs unconstitutional, President Franklin D. Roosevelt asked Congress to allow him to appoint additional justices to

the Court.

**Which woman became the New Deal's unofficial ambassador in 1933?** What was the three-part goal of Roosevelt's New Deal? Relief, recovery and reform. Which woman became the New Deal's unofficial ambassador in 1933? Eleanor Roosevelt.

**Why was Uncle Tom's Cabin the most successful American novel of the mid-nineteenth century?** Uncle Tom's Cabin, novel by Harriet Beecher Stowe, published in serialized form in the United States in 1851–52 and in book form in 1852. An abolitionist novel, it achieved wide popularity, particularly among white readers in the North, by vividly dramatizing the experience of slavery.

**What was the election of 1856 who was involved and what was the controversy?** In a three-way election, Democrat James Buchanan defeated Republican nominee John C. Frémont and Know Nothing nominee Millard Fillmore. The main issue was the expansion of slavery as facilitated by the Kansas–Nebraska Act of 1854.

**How did political issues led to the Civil War?** A key issue was states' rights. The Southern states wanted to assert their authority over the federal government so they could abolish federal laws they didn't support, especially laws interfering with the South's right to keep slaves and take them wherever they wished. Another factor was territorial expansion.

### **Solid Mensuration by Kern and Bland Second Edition: A Guide to Solutions**

Solid Mensuration by Kern and Bland, Second Edition, is a comprehensive textbook on the measurement of solids. It covers a wide range of topics, from basic concepts to advanced techniques. The book is well-written and provides clear and concise explanations. The authors also include a large number of practice problems, which can be helpful for students who are learning the material.

**Q: What is the difference between volume and surface area?**

**A:** Volume is the measure of the amount of space that a solid occupies. Surface area is the measure of the total area of the surfaces of a solid.

**Q: What is the formula for the volume of a sphere?**

---

**A:** The formula for the volume of a sphere is  $V = \frac{4}{3}\pi r^3$ , where  $r$  is the radius of the sphere.

**Q: What is the formula for the surface area of a cube?**

**A:** The formula for the surface area of a cube is  $A = 6s^2$ , where  $s$  is the length of one side of the cube.

**Q: What is the formula for the volume of a cone?**

**A:** The formula for the volume of a cone is  $V = \frac{1}{3}\pi r^2h$ , where  $r$  is the radius of the base of the cone and  $h$  is the height of the cone.

**Q: What is the formula for the surface area of a cylinder?**

**A:** The formula for the surface area of a cylinder is  $A = 2\pi rh + 2\pi r^2$ , where  $r$  is the radius of the base of the cylinder and  $h$  is the height of the cylinder.

The Second Edition of Solid Mensuration by Kern and Bland is a valuable resource for students who are studying solid mensuration. The book provides clear and concise explanations, and it includes a large number of practice problems. The book is also well-written and well-organized, making it easy for students to find the information they need.

### **Soal Try Out Matematika Kelas 6 dan Kunci Jawaban 2015**

Try out matematika kelas 6 merupakan simulasi ujian yang bertujuan untuk mengukur kemampuan siswa dalam menghadapi ujian nasional. Soal try out ini biasanya disusun berdasarkan kisi-kisi ujian nasional dan mencakup seluruh materi yang dipelajari selama kelas 6.

Berikut adalah beberapa soal try out matematika kelas 6 beserta kunci jawabannya:

**Soal 1** Sebuah toko buah menjual jeruk seharga Rp5.000 per kg. Jika seorang pembeli membeli 3,5 kg jeruk, berapakah harga yang harus dibayar?

**Kunci Jawaban:**  $3,5 \times \text{Rp}5.000 = \text{Rp}17.500$

**Soal 2** Sebuah persegi panjang memiliki panjang 15 cm dan lebar 10 cm. Hitunglah keliling persegi panjang tersebut!

**Kunci Jawaban:**  $2 \times (p + l) = 2 \times (15 \text{ cm} + 10 \text{ cm}) = 2 \times 25 \text{ cm} = 50 \text{ cm}$

**Soal 3** Sebuah prisma tegak segitiga memiliki alas segitiga siku-siku dengan panjang sisi siku-sikunya 6 cm dan 8 cm. Jika tinggi prisma 10 cm, hitunglah volume prisma tersebut!

**Kunci Jawaban:**  $\frac{1}{2} \times (\text{alas} \times \text{tinggi}) \times \text{tinggi} = \frac{1}{2} \times (6 \text{ cm} \times 8 \text{ cm}) \times 10 \text{ cm} = 240 \text{ cm}^3$

**Soal 4** Seorang pedagang membeli 100 buah jeruk dengan harga Rp200 per buah. Kemudian, ia menjual jeruk tersebut dengan harga Rp300 per buah. Berapakah keuntungan yang diperoleh pedagang tersebut?

**Kunci Jawaban:** Keuntungan = (Harga Jual - Harga Beli) x Jumlah Buah  
Keuntungan = (Rp300 - Rp200) x 100 buah = Rp10.000

**Soal 5** Sebuah kereta api berangkat dari kota A pukul 07.00 WIB dan tiba di kota B pukul 10.30 WIB. Jika jarak antara kota A dan kota B 240 km, hitunglah kecepatan rata-rata kereta api tersebut!

**Kunci Jawaban:** Kecepatan = Jarak / Waktu Kecepatan = 240 km / 3,5 jam = 68,57 km/jam

**Is the bat test hard?** Is the CJBAT Hard? The CJBAT is one of the more difficult law enforcement exams in the U.S. since it covers traditional cognitive topics as well as behavioral questions that most applicants have never faced. Careful preparation can definitely improve your scores on the CJBAT and place you above the competition.

**What is the difference between the FBAT and the Cjbat?** FBAT is the Florida Basic Abilities Test used as the entry-level written test for law enforcement and corrections hiring in Florida. Currently, Florida uses the CJBAT (Criminal Justice Abilities Test) by IOS for the FBAT.

**How do you pass the CJBAT test?**

**What does the CJBAT consist of?** The CJBAT, developed by Industrial/Organizational Solutions (IOS), Inc., measures the defined “minimum competencies” in three separately-timed sections as follows: Section I - behavioral attributes; Section II - memorization; and Section III – written comprehension, written expression, deductive reasoning, and ...

**What is the hardest test to pass?** Top 5 World's Toughest Exams: From the article, we can conclude that the Gaokao Exam in China, IIT JEE Advanced, Civil Services Exam (CSE)/UPSC, Graduate Aptitude Test in Engineering (GATE) and Graduate Record Examination (GRE) are the top five toughest exams in the world.

**How hard is it to pass the bat?** Is The California Bar Exam Hard? Yes, the California bar exam is widely considered to be the most difficult of all state bar exams in the US. The California bar exam has a pass rate of 34%.

**What does FBAT stand for?** (sometimes referred to as CJBAT)

**What is an FBAT test?** The Florida Basic Abilities Test (FBAT) is designed to measure basic abilities required for basic recruit training programs, employment in law enforcement-related occupations, and military recruitment. Note: The FBAT is also known as the CJBAT (Criminal Justice Basic Abilities Test) and BAT (Basic Abilities Test)

**What is the basic abilities test in Florida?** The CJBAT, developed by Industrial/Organizational Solutions (IOS), Inc., measures the defined “minimum competencies” in three separately-timed sections as follows: Section I - behavioral attributes; Section II - memorization; and Section III – written comprehension, written expression, deductive reasoning, and ...

**What is the correctional officer test in Florida?** Basic Abilities Test (BAT) Information Section I – behavioral attributes Section II – memorization Section III – written comprehension, written expression, deductive reasoning, and inductive reasoning. In total, there are 97 questions on the CJBAT. You will have 1.5 hours (90 minutes) to complete the exam.

**Is the CJBAT easy?** The only available method of testing is in person at a Pearson Vue testing center. ~~Is the CJBAT test hard? Generally, this isn't considered to be a~~

very difficult test, especially with sufficient preparation beforehand.

### **How do you perform a bat test?**

**How long does it take to become a correctional officer in Florida?** The full-Time program can be completed in approximately 3 months. There is limited access to this program. The program starts in January, April, July, and October. Florida Gateway College maintains a Public Safety Training Center in Olustee dedicated to this program and other public safety programs.

**How to become a certified correctional officer in Florida?** All individuals seeking Florida certification as a law enforcement, correctional, or correctional probation officer must first pass the State Officer Certification Examination (SOCE). Prior to taking the SOCE individuals must first complete a basic recruit training program at a Commission-certified training school.

**How long is the CJBAT test good for in Florida?** Per the FDLE, CJBAT scores are considered valid for 4 years from the date taken. Candidates can only take an exam three times per year. Tester must wait until the following year for another retake if you have taken the exam three times already within a one year (12 month) period.

**What is the bat test anxiety?** The behavioral avoidance test (BAT) is a well-known diagnostic tool assessing fear by directly measuring avoidance behavior. For instance, in spider phobia, participants or patients gradually approach a live spider until they feel too uncomfortable to continue.

**Why is it so hard to bat in Test cricket?** There are several factors which makes scoring runs much more difficult in test cricket. \* Duration Test cricket is played for 5 long days. Batsmen know that they have to survive long in order to make a winning contribution, thus they usually play safe & lower their strike rate, causing slower run rate t...

**What are the results of the bat test?** Applications of BAT in Allergy Diagnosis Its function is to pinpoint the specific allergens causing a patient's allergic symptoms, and serves as an alternative or supplementary method alongside traditional skin tests. It primarily detects sensitization on basophils, which indicates type I allergic

reactions.

**What is the bat test procedure?** BAT can be performed in blood collected into heparin or EDTA. Blood for BAT should be collected using the same material and methodology during studies and between sites. Measurement of basophil activation can be influenced by the markers used to identify the basophils, by the BAT protocol and by flow cytometry.
