What Do You Do When Something Wants to Eat You?

What are some ways to defend yourself against a predator?

- **Fight back.** If you are attacked by a predator, fight back as hard as you can. Use your hands, feet, and anything else you can find to defend yourself.
- **Run away.** If you are unable to fight back, run away as fast as you can. Try to find a safe place to hide until the predator gives up.
- **Make yourself look bigger.** If you are being chased by a predator, try to make yourself look as big as possible. This will make you appear more threatening and may cause the predator to back down.
- **Use a weapon.** If you have access to a weapon, use it to defend yourself. However, only use a weapon if you are absolutely sure that you can do so safely.

What should you do if you are being stalked by a predator?

- **Tell someone.** If you are being stalked by a predator, it is important to tell someone you trust. This could be a family member, friend, or law enforcement officer.
- **Keep a record of the stalking.** This will help you document the pattern of behavior and provide evidence to law enforcement if necessary.
- **Take precautions to stay safe.** Avoid being alone in isolated areas, and always be aware of your surroundings.

What should you do if you are being chased by a predator?

- **Run away.** If you are being chased by a predator, run away as fast as you can. Try to find a safe place to hide until the predator gives up.
- **Call for help.** If you are in danger, call 911 or the local emergency number.
- **Fight back.** If you are unable to run away or call for help, fight back as hard as you can. Use your hands, feet, and anything else you can find to defend yourself.

What should you do after you have been attacked by a predator?

- **Get to safety.** If you have been attacked by a predator, it is important to get to a safe place as soon as possible. This could be your home, a hospital, or a police station.
- **Call for help.** Once you are in a safe place, call 911 or the local emergency number.
- **Report the attack.** It is important to report the attack to the police so that they can investigate and apprehend the predator.
