

# CHAPTER 12 SECTION 4 QUIZ THE BILL IN SENATE ANSWERS

## Download Complete File

**How do you pass a bill through the Senate?** Most bills require a majority vote (it must pass by 21 votes in the Senate and 41 votes in the Assembly), while urgency measures and appropriation bills require a two-thirds vote (27 in the Senate, 54 in the Assembly).

**How is a bill introduced in the Senate Quizlet?** A bill is introduced by any member in either the House or the Senate. The member of the House can just drop a bill in the Hopper Box, which is located at the edge of the clerk's desk. In the Senate, a Senator must introduce the bill by addressing the chair of the Senate.

**Is a cloture a Senate rule for limiting debate True or false?** In 1917, with frustration mounting and at the urging of President Woodrow Wilson, senators adopted a rule (Senate Rule 22) that allowed the Senate to invoke cloture and limit debate with a two-thirds majority vote.

**Is the Senate the House that practices filibusters?** The Senate tradition of unlimited debate has allowed for the use of the filibuster, a loosely defined term for action designed to prolong debate and delay or prevent a vote on a bill, resolution, amendment, or other debatable question.

**When a bill makes it to the President, he or she can \_\_\_\_\_?** The Bill Is Sent to the President He can: Sign and pass the bill—the bill becomes a law. Refuse to sign, or veto, the bill—the bill is sent back to the U.S. House of Representatives, along with the President's reasons for the veto.

**How is a bill passed?** All other bills require 21 votes in the Senate and 41 votes in the Assembly. Once the house of origin approves the bill, it proceeds to the other house where steps 1-5 are repeated. If a bill is amended in the second house, it must go back to the house of origin for concurrence, which is agreement on the amendments.

**How a bill is introduced in the Senate?** In the Senate, a Senator usually introduces a bill or resolution by presenting it to one of the clerks at the Presiding Officer's desk, without commenting on it from the floor of the Senate.

**How a bill becomes a law commonlit answers?** In order to be passed, a bill must be approved Approve (verb) : to accept or allow 5 by both houses of Congress. After one house approves the bill, the other house must also approve it. If the other house does not approve the bill, it is sent to a committee made up of members of both houses for changes.

**What are the steps to passing a bill on Quizlet?**

**How can I introduce bills in the Senate in the House?** In the House, a bill is introduced when it is dropped in the hopper (a wooden box on the House floor). In the Senate, the bill is submitted to clerks on the Senate floor. Upon introduction, the bill will receive a designation based on the chamber of introduction, for example, H.R. or H.J. Res.

**Who rules the Senate?**

**Why can one senator block a bill?** In the United States Senate, a hold is a parliamentary procedure permitted by the Standing Rules of the United States Senate which allows one or more Senators to prevent a motion to proceed with consideration of a certain manner from reaching a vote on the Senate floor, as no motion may be brought for consideration on ...

**Who can filibuster a bill?** A filibuster is a tactic used in the United States Senate to delay or block a vote on a measure by preventing debate on it from ending. The Senate's rules place few restrictions on debate; in general, if no other senator is speaking, a senator who seeks recognition is entitled to speak for as long as they wish.

---

**How many votes for cloture?** A majority of three-fifths of senators duly chosen and sworn (60 votes if there is no more than one vacancy in the Senate) is required for most questions.

**What is the purpose of cloture?** cloture, in parliamentary procedure, a method for ending debate and securing an immediate vote on a measure that is before a deliberative body, even when some members wish to continue the debate.

**Which branch coins money?** Among the many powers given to the legislative branch, or the Congress, are the powers to introduce bills, collect taxes, regulate commerce with foreign countries, coin money, and declare war.

**Who is on a bill but not a president?** We have George Washington on the \$1 bill, Thomas Jefferson on the \$2 bill, Abraham Lincoln on the \$5, Andrew Jackson on the \$20, and Ulysses S. Grant on the \$50. Alexander Hamilton and Ben Franklin were never presidents, but they are featured on the \$10 and \$100 bill, respectively.

**What branch has two houses?** The legislative branch of government is the State's law-making authority. The California State Legislature is made up of two houses: the Senate and the Assembly.

**What can the President not do?**

**Does a bill go to the House or Senate first?** After a measure passes in the House, it goes to the Senate for consideration. This includes consideration by a Senate committee or subcommittee, similar to the path of a bill in the House. A bill must pass both bodies in the same form before it can be presented to the President for signature into law.

**What is the difference between the House and the Senate?** As outlined in the Constitution , the House represents citizens based on district populations, while the Senate represents citizens on an equal state basis.

**How does a bill flow through the Senate?** In the Senate, the bill is assigned to another committee and, if released, debated and voted on. Again, a simple majority (51 of 100) passes the bill.

**Can the Senate pass a bill without House approval?** In order to pass legislation and send it to the President for his or her signature, both the House and the Senate must pass the same bill by majority vote. If the President vetoes a bill, they may override his veto by passing the bill again in each chamber with at least two-thirds of each body voting in favor.

**How long does it take the Senate to pass a bill?** All told, this process of reaching a final vote on a bill can require about a week of Senate floor time to complete. Overall, these rules and practices governing floor debate and amending in the Senate provide significant leverage to each individual Senator.

**What is the difference between the Senate and the House of Representatives?** As outlined in the Constitution , the House represents citizens based on district populations, while the Senate represents citizens on an equal state basis.

### **"The October Horse: A Novel of Caesar and Cleopatra" by Colleen McCullough: Questions and Answers**

#### **Paragraph 1:**

Q: What is the title of the novel? A: "The October Horse: A Novel of Caesar and Cleopatra"

Q: Who is the author? A: Colleen McCullough

Q: What is the genre of the novel? A: Historical fiction

#### **Paragraph 2:**

Q: Who are the main characters in the novel? A: Caesar and Cleopatra

Q: What historical period does the novel cover? A: The late Roman Republic and early Roman Empire

Q: Where is the novel primarily set? A: Rome and Egypt

#### **Paragraph 3:**

Q: What is the central conflict in the novel? A: The clash between Caesar's ambition and Cleopatra's desire for power and independence

Q: How does McCullough depict the characters of Caesar and Cleopatra? A: Caesar as a charismatic and ruthless leader, and Cleopatra as an intelligent and alluring queen

#### **Paragraph 4:**

Q: What is the significance of the title "The October Horse"? A: It refers to a horse sacred to the Roman goddess of victory, which Caesar believed would bring him victory in battle

Q: How does the novel explore themes of love, ambition, and power? A: Through the intertwined relationships between Caesar, Cleopatra, and other characters

#### **Paragraph 5:**

Q: What is the overall tone and atmosphere of the novel? A: Epic and dramatic, with a strong sense of historical realism

Q: What is the significance of the novel as a work of historical fiction? A: It provides a captivating and fictionalized account of one of the most famous love stories in history

**What is enlightenment according to Osho?** Osho says that enlightenment is: "... Simply the process of becoming aware of your unconscious layers of personality and dropping those layers." What I've noticed is that spiritual texts, often use different language but point to the same truth.

**What are the 7 points of enlightenment?**

**Was Osho a true master?** Rozan Osho was free and true, master of his actualization, whether adapting it or going contrary. But none of his students could fathom his vast horizon and were startled.

**What does enlightenment mean in Zen?** The purpose of Zen is to achieve enlightenment, and the Zen sects generally emphasize enlightenment over knowledge. Enlightenment in Zen means "all living things realize the inherent buddha

nature they possess.” “Buddha nature” is a sacred nature which forms the basis for becoming buddhas.

**What is the Buddhist idea of enlightenment?** According to Buddhist belief, enlightenment is the experience of true reality, an “awakening” through which one could comprehend the true nature of things.

**What is an enlightenment concept?** It was thought during the Enlightenment that human reasoning could discover truths about the world, religion, and politics and could be used to improve the lives of humankind. Skepticism about received wisdom was another important idea; everything was to be subjected to testing and rational analysis.

**What does the Bhagavad Gita say about enlightenment?** Different people conceive enlightenment differently – as experiencing peace, as perceiving a white light, as merging into a cosmic oneness, for example. However, the Bhagavad-gita indicates that enlightenment essentially means seeing everything in relationship with Krishna, the pivot of existence.

### **Unveiling the Enigmatic Talisman: A Literary Journey with Stephen King**

The Talisman, a captivating novel co-written by horror maestro Stephen King and his son, Peter Straub, has captivated readers for decades. This epic tale transports us into a world of intrigue, magic, and the unbreakable bond between a father and son.

#### **1. What is the premise of The Talisman?**

The Talisman follows Jack Sawyer, a young boy who embarks on a perilous quest to the Territories, an otherworldly land, to save his dying mother. Along the way, he encounters a diverse cast of characters, including a mysterious woman named Rhea and a powerful sorcerer named Randall Flagg.

#### **2. How is the novel structured?**

The Talisman is a sprawling narrative that alternates between the real world and the Territories. The story unfolds through multiple perspectives, providing readers with a multi-dimensional view of the characters and events.

### 3. What are the major themes of The Talisman?

The novel explores profound themes such as the power of love and sacrifice, the nature of good and evil, and the importance of facing one's fears. It also delves into the complex relationship between fathers and sons, examining the bonds that unite and the challenges that can arise.

### 4. Who is Randall Flagg?

Randall Flagg is a recurring character in King's works, a malevolent force that often takes human form. In *The Talisman*, Flagg represents the embodiment of evil, seeking to manipulate Jack and corrupt his quest.

### 5. How does The Talisman compare to other Stephen King novels?

*The Talisman* stands out from King's other works in several ways. It is a collaboration with his son, Peter Straub, and it explores a different genre, blending fantasy and horror. The novel is also more explicitly Christian in its themes and imagery, setting it apart from King's usual focus on the supernatural.
