Wonder in the Lakewood City School District

What is the Lakewood City School District doing to promote kindness and inclusion?

The Lakewood City School District has implemented the "Choose Kind" program, which is inspired by the book "Wonder" by R.J. Palacio. The program aims to create a welcoming environment where all students feel valued and respected. The district also provides resources and training for teachers and staff on how to promote kindness and inclusion in the classroom.

How can parents get involved in the Choose Kind program?

Parents can get involved in the Choose Kind program by:

- Volunteering at school events
- Talking to their children about the importance of kindness and inclusion
- Modeling kind and inclusive behavior themselves
- Supporting the school's efforts to create a welcoming environment

What are the benefits of the Choose Kind program?

The Choose Kind program has been shown to improve student behavior, reduce bullying, and create a more positive school climate. Students who participate in the program are more likely to be kind and compassionate to others, and they are less likely to engage in hurtful or disrespectful behavior.

How can I learn more about the Choose Kind program?

You can learn more about the Choose Kind program by visiting the Lakewood City School District website or by contacting your child's school.

What else is the Lakewood City School District doing to promote a positive school climate?

In addition to the Choose Kind program, the Lakewood City School District is also implementing a number of other initiatives to promote a positive school climate, including:

- Anti-bullying programs
- Peer mediation programs
- Social-emotional learning programs
- Restorative justice programs
