**Why did El Bulli close down?** Adrià later told Eater, "We closed El Bulli because we had been searching for the limits around what a restaurant experience could be, Once we felt we could not go much further in this sense, we decided to close."

**When was El Bulli opened?** The first restaurant was opened in 1964. The restaurant won its first Michelin star in 1976 while under French chef Jean-Louis Neichel. Ferran Adrià joined the staff in 1984, and was put in sole charge of the kitchen in 1987.

**Why was El Bulli losing money?** My hypothesis is that the restaurant was never intended to turn a profit, but rather it was a loss leader for book sales, endorsements, lecture fees, TV contracts, cookware lines, and so on for Ferran Adria.

**Can you still eat at El Bulli?** Ferran Adrià is reopening its doors, but not as a restaurant; it's opening as a museum in June. His new project is called elBulli 1846, and the goal is twofold: to maintain the restaurant's legacy and to operate as an experimental laboratory, similar to the restaurant's philosophy.

**Will El Bulli reopen?** El Bulli in Spain, the 'world's best restaurant', is reopening – as a museum – nearly 12 years after chef-owner Ferran Adria closed it. Spain's El Bulli, repeatedly voted the world's best restaurant before it closed over a decade ago, is set to reopen as a museum dedicated to the culinary revolution it sparked.

**How much did a meal at El Bulli cost?** When his restaurant El Bulli closed, he was charging only \$300 Euros per person (plus drinks). He actually LOST money for each reservation, which he made back from the money he made from his books, TV appearances, and speaking events.

**Why was El Bulli so important?** If one restaurant has shaped the history of Spanish gastronomy more than any other, it's elBulli. The legacy of Ferran Adrià and Juli Soler has had an impact on more than one generation of chefs, and will continue to do so for many years to come—maybe without the true extent of their contribution ever being known.

**Will El Bulli reopen?** El Bulli in Spain, the 'world's best restaurant', is reopening – as a museum – nearly 12 years after chef-owner Ferran Adria closed it. Spain's El Bulli, repeatedly voted the world's best restaurant before it closed over a decade ago, is set to reopen as a museum dedicated to the culinary revolution it sparked.

**What is Ferran Adrià doing now?** Chef Ferran Adrià unveils latest creation: An overnight stay at elBulli1846. For the first time, elBulli1846 is opening its doors for a once-in-a-lifetime stay that blends art, history and culinary innovation, hosted by revolutionary chef Ferran Adrià.

**How many Michelin stars did El Bulli have?** When the Spanish chef Ferran Adrià closed the Michelin three-star El Bulli in 2011, it was at the height of its powers. As such, the announcement sent shock waves through the culinary industry. But now the restaurant long regarded as one of the best in the world is getting ready to reopen—as a museum.
