

A patch of blue

Download Complete File

What is the meaning of A Patch of Blue? "A patch of blue" comes from one of things Selina remembers from her childhood before she got blind. When she was a small girl, too small to see out the window, she could only see a patch of blue sky above the windowsill, and that was one of very few colors she remembered.

What is the plot of the book A Patch of Blue? Book overview Abused and neglected by her prostitute mother, scarred by the memory of her murderous father, blind, beautiful 18-year-old Selina leads a life of unbroken misery. Then one day she meets Gordon, and her heart begins to flood with hope and happiness.

Do they end up together in A Patch of Blue? She's white, he's black. He keeps this information from her and when she finds out the truth she doesn't care. Gordon and Selina can't end up together in the film because this is 1965, and while their relationship pushes boundaries, albeit very lightly, Hollywood wasn't quite ready for them to be together.

Who wrote A Patch of Blue? The novel was written by Australian novelist Elizabeth Kata in the late 1950s. The title is from a Chinese poem and the whole is a twist on the Cinderella story with a blind protagonist. Selina (Sleena) is eighteen. She lives with her mother Rose-Ann who is a prostitute and her grandfather Ole Pa who is an alcoholic.

How did Selina go blind in A Patch of Blue? Gordon learns that she was blinded at age five when Rose-Ann threw chemicals on her while attempting to hit her husband and that she was raped by one of Rose-Ann's "boyfriends." Rose-Ann's friend Sadie is also a prostitute, and she realizes that Selina can be useful in their business.

Why was A Patch of Blue filmed in black and white? According to the DVD audio commentary, it was the decision of director Guy Green that A Patch of Blue be filmed in black and white although color was available. The film was adapted by Guy Green from the 1961 book Be Ready with Bells and Drums by the Australian author Elizabeth Kata.

Who is the blind girl in a patch of blue? When Selina D'Arcey (Elizabeth Hartman), a blind young white woman, befriends Gordon Ralfe (Sidney Poitier), a black office worker, their budding relationship eventually leads to romance.

How does the book A Patch of Blue end? Horrified by her injuries, he takes her to his home again. His brother Paul insists that he has to get rid of Selina. They tell each other they love each other and kiss. Gordon informs her that he is arranging to send her to a special school, and Selina is elated.

What is the message behind Blue Story? The film focuses on themes such as gang violence, friendship, betrayal, love, youth, and black masculinity.

Is there a sequel to A Patch of Blue? On 6 Dec 1965, DV stated that Berman planned to start work immediately on the sequel, with Poitier and Hartman reprising their roles, and Guy Green was already underway on the treatment. However, a sequel never came to fruition.

How old is Selina in A Patch of Blue? Selina D'Arcey, an 18-year-old girl accidentally blinded by her mother, Rose-Ann, in a family quarrel 13 years ago, lives in a shabby tenement with her prostitute mother and alcoholic grandfather, Ole Pa.

What happened to actress Elizabeth Hartman? On June 10, 1987, Hartman died after jumping from the window of her fifth floor apartment. Earlier that morning, she had reportedly called her psychiatrist saying that she felt despondent. Hartman was buried at Forest Lawn Memorial Park in the suburb of her hometown.

Why is it called A Patch of Blue? Selina D'Arcy: Well that's because they don't know you. 2- Selina D'Arcy: It's wonderful to have a friend. You might wonder why the film is called "A Patch of Blue". It's simply because the color Selina can remember the most is blue.
