**Which book is Restore Me in the series?** Restore Me (Shatter Me, #4) by Tahereh Mafi | Goodreads.

**Is it necessary to read Restore Me?** Review In A Nutshell: Restore Me is an amazing installment in a breathtaking series. I questioned if another book in the Shatter Me world was really necessary, but after reading this novel I had no doubt in my mind that this story had to be told.

**Are there any spicy scenes in Restore Me?** Speaking of heart racing, there were a lot of sexy scenes to satisfy my Warnerette fangirl heart. I just couldn't put the book down and I was satisfied with the scenes many, many times throughout the book -- which made my inner fangirl squeal, that's for sure!

**Does Juliette shave her head in Restore Me?** Juliette shaves her head. After Warner's confession and Nazeera's revelation, Juliette is ready to kick things up a

notch. She meets with a few children of supreme commanders around the world (including Warner's ex-gf).

**What order do you read the After book series?** What order does the After series go in? The first book is called After, and it's followed by After We Collided, After We Fell, and After Ever Happy. The last published book in the After series is a prequel, and it's called Before. Needless to say, you should read the series in chronological order.

**What order do you read the Me Before You series?** Jennifer Zorko You need to read the books in order, Me before You, After You, and then Still Me.

**Is Restore Me part of Shatter Me?** Shatter Me is the first of a series of seven books. The second book in the series, Unravel Me, was published on February 5, 2013. The third book, Ignite Me, was published on February 4, 2014. The fourth book, Restore Me, was published on March 6, 2018.

**How does Restore Me end?** How did Restore Me end? The massive gathering happens and Juliette gives a speech that denounces the Re-establishment. Someone shoots her in the head, but she doesn't die. Brendan, Alia, Lily, and Ian are, though.

**Is Restore Me a good book?** But I was impressed with how Mafi has developed the world-building in Restore Me. She gives readers a greater picture of other sectors across the world, and The Reestablishment now starts to look like a viable enemy.

**How old is Juliette in Restore Me?** Set in a dystopian future, "Shatter Me" follows the life of 17-year-old Juliette Ferrars, who has been locked away for a crime she never intended to commit--a crime caused by her peculiar "gift" that she herself doesn't even understand.

**Is Restore me a dual POV?** To be honest, I was not happy with the dual point-of-view narration in the book. I enjoyed it more when it was just from Juliette's perspective, and the novel was considered a side book.

**Is Restore me a sequel?**

**Why did Juliette break up with Aaron in Restore Me?** In *Restore Me*, Juliette tells Warner that she loves him. A shocked Warner replies that he loves her too. They begin to share the same quarters and frequently make time to be intimate. When Juliette discovers that Warner has been lying to her and keeping secrets about their past, she breaks up with him.

**Does Juliette get drunk in Restore Me?** Warner and Juliette gets drunk and shaves her head. Aaron, despite knowing how this will devastate their relationship, tells Juliette everything and she, understandably, leaves him. Furious and hurt that he knew her birth parents were alive and he hid all this.

**Does Juliette cheat on Adam?** In *Ignite Me*, Juliette realizes she is in love with Warner. When Adam finds out he is furious and jealous. He claims Juliette cheated on him and yells at her for falling in love with someone who tried to kill him. Adam repeatedly tells Juliette that he wishes she were dead and that he never wants to see her again.

**How does the first After book end?** The story ends with Tessa storming away from Hardin and Zed swooping in to save the day and drive her home, where she asks him to tell her everything he knows about the bet. Gotta love a cliffhanger!

**What comes After the end of a book?** An epilogue is always set at some point in the future, after the main events of the story have taken place. Sometimes, particularly in genre fiction, it is also used to hint at the next installment in a series of works.

**Why is After Everything so different from the book?** *After Everything* is the fifth installment in the *After* franchise, but unlike the previous films, it is not based on any of Anna Todd's novels. Director Castille Landon wrote an original screenplay for *After Everything*, allowing the franchise to explore new territory beyond the source material.

**Do Louisa and Will have a daughter?** This is especially the case because the most resonant relationship in the novel, in many ways, is not Louisa and Sam, but Louisa and Will's troubled teenaged daughter, Lily. Lily, deeply unhappy, is desperately in need of love. Louisa needs her in return, both for herself and in order to stay true to

Will.

**Do you have to read Tahereh Mafi books in order?** Fortunately, the author Tahereh Mafi published all the books chronologically, so there are no time jumps to add to the confusion. The Shatter Me novellas are told from a different point of view and aren't pertinent to the story progression, so you can skip them if you'd like.

Watch Me will focus on James, the imprisoned brother of a resistance leader, and Rosabelle, an assassin for The Reestablishment. The novel is set 10 years after the last book in the Shatter Me series.

**Is Restore Me dual pov?** In April 2017, Mafi announced another trilogy in the Shatter Me universe following the same cast of characters. The first installment, Restore Me, is told from a dual-POV from Juliette Ferrars and Warner, the protagonist and antagonist, respectively, in the original trilogy. Restore Me was published on March 6, 2018.

**Is Shatter Me getting a TV show?**

**Who is Aaron Warner's ex-girlfriend?** Lena Mishkin Warner's ex-girlfriend, and daughter of the Supreme Commander of Europe. Lena is still bitter at Warner after he broke up with her through her mother. Warner described their relationship as purely physical and claimed he never truly loved her.
