What are some good questions about The Great Gatsby?

What are the essential questions of The Great Gatsby? Essential Questions and Skills: How is Nick “the perfect narrator?” How is this novel a critical commentary of American society? How does Fitzgerald use symbolism and irony in the novel? What are the effects of the symbolism and irony? How does the novel's structure affect the unwinding of the plot?

What is the central question in The Great Gatsby? In The Great Gatsby by F. Scott Fitzgerald, the central question would probably reflect around Jay Gatsby's wealth and his dream girl, Daisy. The central question could probably be why does these things matter greatly to himself.

What questions are unanswered in The Great Gatsby? There are so many tantalising questions that lie unanswered. Some must remain so — for example, would Tom ever have sold Wilson a car? Who was Owl-eyes? Whose teeth are on Wolfshiem's cuffs?

Did Daisy actually love Gatsby? She reveals that Gatsby had met Daisy back in 1917, and the two fell in love. However, they separated when Gatsby left to fight in World War I. After the war, Gatsby never returned, and Daisy decided to marry Tom.

What are the three main points of Great Gatsby? A perennial presence on the AP Lit Reading List, the themes at the heart of F. Scott Fitzgerald's The Great Gatsby – greed, love, violence, and the “American Dream” – are as compelling as when the novel was published in 1925.

What is the main lesson of *The Great Gatsby*? The moral of *The Great Gatsby* is that the American Dream is ultimately unattainable. Jay Gatsby had attained great wealth and status as a socialite; however, Gatsby's dream was to have a future with his one true love, Daisy.

Why did Daisy not choose Gatsby? Although Daisy may have loved Gatsby once, she does not love him more than the wealth, status, and freedom that she has with Tom.

What is the main focus of *The Great Gatsby*? Fitzgerald conveyed in *The Great Gatsby* the sense of hope America promised to its youth and the disappointment its youth felt when America failed to deliver. This—the promise and failure of the American Dream—is a common theme in Fitzgerald's work.

What is the main message of *The Great Gatsby*? The American Dream Every character in *The Great Gatsby* draws inspiration from the American Dream's promise of wealth and prosperity. At the same time, the novel itself critiques the notion of the American Dream. Readers may end the novel wondering if the American Dream is actually attainable at all.

What is the deeper meaning of *The Great Gatsby*? "The Great Gatsby" deeply portrays ideals of the American Dream through its display of wealth and the interactions among its characters. The American Dream and its initial status as a symbol of hope for success and a better life is blurred into a symbol of getting rich. This ideal, this dream, is essentially corrupted.

What does the green light symbolize? The Green Light is significant for several reasons. First, it symbolizes Gatsby's undying love for Daisy as he reaches toward the light on her dock. However, it becomes symbolic of Gatsby's inability to fully reach the American dream as his life unravels.

What was Gatsby's biggest problem? Gatsby's biggest weakness is his love for Daisy. He is determined to get Daisy back and he thinks that for him Daisy leaves her husband Tom. The story of his love for Daisy is one of the great love stories of American literature. He sees her with her as the result of his dream.

Why did Daisy marry Tom? She went out with more soldiers from Camp Taylor. Then she met Tom Buchanan and was flattered by him and his position. She was motivated to get married and Tom came from a similar and good background with money and position.

Why did Daisy leave Gatsby? Eventually, Gatsby won Daisy's heart, and they made love before Gatsby left to fight in the war. Daisy promised to wait for Gatsby, but in 1919 she chose instead to marry Tom Buchanan, a young man from a solid, aristocratic family who could promise her a wealthy lifestyle and who had the support of her parents.
