**What is the story of the game Blacksad?** Plot. Blacksad: Under the Skin is set in New York City during the 1950s, and takes place chronologically between Blacksad: Arctic Nation and Red Soul. Its story begins when protagonist John Blacksad is approached by Sonia Dunn, daughter of boxing club owner Joe Dunn who has died suspiciously.

**Is Blacksad Spanish or French?** Though both authors are Spanish, their main target audience for Blacksad is the French market and thus they publish all Blacksad volumes in French first; the Spanish edition usually follows about one month later.

**How many Blacksad volumes are there?** In 2010, Dark Horse Comics published all three translated volumes as one volume.

**Is Blacksad Under the Skin canon?** Also outstanding is the soundtrack, a jazz-fuelled joy setting the tone and vibe as needed. Blacksad: Under The Skin may not be official canon but it does feel part of the greater tale and fans will really enjoy what it brings to the table and for newcomers it's a great look at what makes Blacksad a great comic.

**How old is Blacksad?** Blacksad is 39 years old in the game Blacksad: Under the Skin. He is fairly tall and well-built. He has black eyes with green sclera. His fur and skin are completely black except around his mouth and nose, which is white.

**What is the name of Blacksad?** John Blacksad is the titular main protagonist of the Blacksad comic series. In the video game adaption, Blacksad: Under the Skin, John is voiced by Barry Johnson, who voiced Jeffrey Fowler in Detroit: Become Human.

**Is noir Spanish or French?** The word in French for black is noir. We use that word in English sometimes, like film noir.
