The film's plot begins in 1946 when Antony is a baby. The plot ends with the shocking climax, in 1972.

Why is Savage Rated R? I enjoyed the performances by Salma, John Travolta who plays a corrupt cop, and Benecio Del Toro who is Salma's thug assassin. What is the plot of these savage shores? But the main storyline is about the battles fought on the shores of India between the British Empire and the rulers of Indian provinces. The alliances that were made, the trusts that were broken, and the way war changes everyone it touches. It's a horror story, a love story, and a war story.
