**What did Thomas Merton say about prayer?** To start where you are and to become aware of the connections, that was Thomas Merton's approach to prayer. "We were indoctrinated so much into means and ends," he said, "that we don't realize that there is a different dimension in the life of prayer."

Nor do I really know myself, and the fact that I think that I am following your will does not mean that I am actually doing so. But I believe that the desire to please you does in fact please you.

**What was Thomas Merton's famous quote?** "Nothing created is of any ultimate use without hope. To place your trust in visible things is to live in despair."

**What does the book of Thomas say about prayer?** 14 Jesus said to them, "If you fast, you will bring sin upon yourselves, and if you pray, you will be condemned, and if you give to charity, you will harm your spirits. When you go into any region and walk about in the countryside, when people take you in, eat what they serve you and heal the sick among them.

**Why was the Book of Common prayer controversial?** Opposing what they saw as an Anglo-Catholic revision that would align the Church of England with the Catholic Church—particularly through expanding the practice of the reserved sacrament—Protestant evangelicals and nonconformists in Parliament put up significant resistance, driving what became known as the Prayer Book ...

**What is the best example of a contemplative prayer?** Be kind and compassionate to one another, forgiving each other, just as in Christ God forgave you. Be still and know that I am God... You are precious in my sight, and honoured, and I love you. Do not be afraid.

**What were the teachings of Thomas Merton?** Throughout his many written and unwritten works, Merton taught that humans struggle to shed their “false” self and discover their “true” self.
