How to ask the right question?

What are three questions you can ask yourself in order to be a critical reader?

Asking ourselves what we are reading, who wrote it, what the author's background or culture values are, who the intended audience is, and who is ultimately funding the writing and the circulation of the piece – all these questions are crucial to critical reading and understanding.

What type of questions are important to ask in critical thinking? Our minds must stimulate theirs with questions and yet further question; questions that probe information and experience; questions that call for reasons and evidence; questions that lead students to examine interpretations and conclusions, pursuing their basis in fact and experience; questions that help students to ...
