

FRENCH REVOLUTION SECTION 2

QUIZ ANSWERS

[Download Complete File](#)

What is the French Revolution question answer? During the French Revolution, the monarchy was removed and took over as rulers. The Revolution lasted from 1789 to the late 1790s. The French people were split up into social classes known as “Estates” before the start of the French Revolution.

What were the radicals in the Legislative Assembly called? The radicals took the name Jacobins and wished to press for a continuation of direct democratic action to overthrow Louis XVI. The ones who retained the name Feuillants sought to preserve the position of the king and supported the proposed plan of the National Assembly for a constitutional monarchy.

How did European monarchs and nobles feel about the French Revolution? They opposed it because they feared revolution would spread.

What was the most significant change of the National Assembly? It marked the beginning of representative government in France, a significant change in the country's political landscape. The National Assembly's first significant act was the adoption of the Declaration of the Rights of Man and of the Citizen.

What caused the French Revolution Short answer? Causes of the French Revolution Not only were the royal coffers depleted, but several years of poor harvests, drought, cattle disease and skyrocketing bread prices had kindled unrest among peasants and the urban poor.

What was the big question of the French Revolution? The main question raised by the French Revolution was that of equality. It had ended aristocratic privileges as

well as laws that maintained those privileges. Was this answer helpful?

What type of government did French radicals want? France went from a Catholic absolute monarchy to a radical, secular republic with universal manhood suffrage, a new calendar, a new system of weights and measures, and the professed goal of conquering the rest of Europe in the name of freedom, all in about five years.

How did the French revolution turn radical? After a long period of debate about how the new constitution will work, the French Revolution takes a radical turn when revolutionaries arrest the King. The following month, on 22 September 1792, the National Convention is established. This proclaimed the abolition of the monarchy and established the French Republic.

Why were they called Jacobins? The club got its name from meeting at the Dominican rue Saint-Honoré Monastery of the Jacobins. The Dominicans in France were called Jacobins (Latin: Jacobus, corresponds to Jacques in French and James in English) because their first house in Paris was the Saint Jacques Monastery.

Who ruled France after Napoleon? When Louis XVIII, King of France, returned to his country to ascend the throne after Napoleon's 1814 abdication, he sailed from England, his home for the preceding seven years. The king's younger brother, the Count of Artois (future King Charles X of France), had lived in England for even longer.

What was the largest and most powerful political club for the French revolution? The Society of the Friends of the Constitution (French: Société des amis de la Constitution), renamed the Society of the Jacobins, Friends of Freedom and Equality (Société des Jacobins, amis de la liberté et de l'égalité) after 1792 and commonly known as the Jacobin Club (Club des Jacobins) or simply the Jacobins (/ˈdʒəˈkɒbɪnz/ ...

Who led the Jacobins? Maximilien Robespierre was a radical democrat and key figure in the French Revolution of 1789. Robespierre briefly presided over the influential Jacobin Club, a political club based in Paris. He also served as president of the National Convention and on the Committee of Public Safety.

What was the motto of the French Revolution? A legacy of the Age of Enlightenment, the motto "Liberté, Egalité, Fraternité" first appeared during the French Revolution. Although it was often called into question, it finally established itself under the Third Republic.

Which class of society was behind the French Revolution? The third estate also known as the third class of the French society were behind the French Revolution as there was a lot of social inequality in the French society.

What was the selling of church lands in the French Revolution? From the revolutionaries' viewpoint, the purpose of selling church land was to raise revenue to solve the financial crisis of the French state. When they realized that the auctions could take several years to complete, they issued bonds known as assignats that could be redeemed for confiscated property at a later date.

What kind of government was overthrown during the French revolution? There is the French Revolution of 1789, which brought down the Monarchy and the ancien régime — and resulted in the beheading of King Louis XVI and his famous wife, Marie Antoinette. The Revolution lasted until 1792 at which point the National Assembly abolished the monarchy and declared the First Republic (1792-1799.)

What political reforms did the National Assembly establish in France? Major reforms introduced by the National Assembly included the consolidation of public debt, the end of noble tax exemptions, society-wide equality for men regardless of station or property owned, freedom of worship, the establishment of a constitutional monarchy in 1791, the abolition of feudalism, and the Catholic ...

Who are the three estates? This assembly was composed of three estates – the clergy, nobility and commoners – who had the power to decide on the levying of new taxes and to undertake reforms in the country. The opening of the Estates General, on 5 May 1789 in Versailles, also marked the start of the French Revolution.

What was the famous line of the French Revolution? "Let them eat cake" is the most famous quote attributed to Marie-Antoinette, the queen of France during the French Revolution. As the story goes, it was the queen's response upon being told that her starving peasant subjects had no bread.

What was the most important short term cause of the French Revolution?

Economic problems were the most significant factor since they demonstrated the failure of the monarchy to reform its flawed ancien regime, and created tension in French society.

Who abolished slavery in France? Maximilien Robespierre abolished slavery in France on 4 February 1794, he was the first elected Assembly of the Republic.

What is the French Revolution quizlet? The French Revolution was a rebellion lead by the lower classes in France that eventually became a war involving other countries. The lower class protested the unfair treatment, taxes, unemployment, and starvation that they endured while the nobility were exempt from taxes and lead lavish lifestyles.

What was the French Revolution short explanation? The French Revolution began in 1789 and lasted until 1794. King Louis XVI needed more money, but had failed to raise more taxes when he had called a meeting of the Estates General. This instead turned into a protest about conditions in France.

What are some questions to ask about the French Revolution?

What was the main aim of the French Revolution answer? The main aim of French revolutionaries was: Was to overthrow the monarchical rule and the 'Ancien regime' in France and the establishment of a republican government. To create a sense of collective identity amongst the French people by banning the estate system. Essential social changes based on liberalism.

The Revelation of God in Christ**Question 1: Why is the revelation of God in Christ so important?**

Answer: The revelation of God in Christ is crucial because it provides us with an intimate understanding of God's character, nature, and plan for humanity. Through Jesus, we see God's love, mercy, justice, and holiness manifested in a tangible way. This revelation empowers us to know and experience the true nature of God.

Question 2: How does Christ reveal God's love?

Answer: Christ reveals God's love by sacrificing himself for our sins. His death on the cross demonstrates the depth and breadth of God's love for all people, regardless of their past or current circumstances. Christ's love is unconditional, forgiving, and transformative.

Question 3: How does Christ reveal God's mercy?

Answer: Christ reveals God's mercy by extending forgiveness to all those who repent and believe in him. Through his resurrection, Jesus conquered sin and death, offering us the opportunity for eternal life. God's mercy is boundless and available to all who seek it.

Question 4: How does Christ reveal God's justice?

Answer: Christ reveals God's justice by standing up for the oppressed and marginalized. His teachings and actions challenged the status quo and advocated for the poor, the sick, and the vulnerable. God's justice is not punitive but restorative, seeking to bring about a just and equitable society.

Question 5: How does Christ reveal God's holiness?

Answer: Christ reveals God's holiness by living a sinless life and setting an example of purity and righteousness. Through his teachings and actions, Jesus showed us that it is possible to live according to God's standards and to overcome the temptations of sin. God's holiness is not merely an abstract concept but a reality that we can experience through Christ.
