What does the Ghost warn Hamlet about his mother? What does the Ghost warn Hamlet about his mother? Why? The Ghost warns Hamlet not to do anything to his mother, but to "leave her to Heaven." He suggests that for Hamlet to worry about his mother's role in the murder or to try to avenge it will drive him mad. ...

What is the main topic of the passage Act V of Hamlet? Expert-Verified Answer. The main topic of the passage from Act V of Hamlet is death, as Hamlet reflects on Yorick's skull and contemplates mortality and the inevitability of decay. In the given passage, Hamlet is reflecting on the skull of Yorick, the court jester.

What is the major question of Hamlet? Expert-Verified Answer The central dramatic question in Shakespeare's Hamlet is whether Hamlet should seek revenge for Claudius's murder of his father.

What does the ghost tell Hamlet about his mother why? The ghost exhorts Hamlet to seek revenge, telling him that Claudius has corrupted Denmark and corrupted Gertrude, having taken her from the pure love of her first marriage and seduced her in the foul lust of their incestuous union.

What does a ghost symbolize in Hamlet? Insanity: The ghost represents madness due to the question placed upon its existence. The ghost evokes the concepts of hallucination, paranoia, an obsessive desire for vengeance, and the mental affliction which Hamlet seems to fall into after his meeting with the ghost.

Did Hamlet love Ophelia? It is likely that Hamlet really was in love with Ophelia. Readers know Hamlet wrote love letters to Ophelia because she shows them to Polonius. In addition, Hamlet tells Ophelia, "I did love you once" (3.1. 117).

What is the most important passage in Hamlet? Hamlet's "to be or not to be" speech is among the most famous passages of Western literature. It has been endlessly analyzed and parodied.

What does Gertrude tell Hamlet as she dies? Hamlet, who has returned safely to confront the king, agrees to a fencing match with Ophelia's brother, Laertes, who secretly poisons his own rapier. At the match, Claudius prepares poisoned wine for Hamlet, which Gertrude unknowingly drinks; as she dies, she accuses Claudius, whom Hamlet kills.

What is the moral message of Hamlet? It suggests that by being honest and genuine, one will naturally be sincere in their interactions with others. The characters in Hamlet offer valuable lessons, such as the consequences of overthinking, the tragic effects of manipulation, and the dangers of ruthless ambition.

What are symbols in Hamlet?

Why is Hamlet cruel to Ophelia? Why is Hamlet cruel to Ophelia after his "To be or not to be" speech in Act 3? Hamlet is angry with his mother, Claudius, and Polonius more than he is with Ophelia. He does get angry with Ophelia after she lies to him. He asks, "Where is your father?" and she answers, "At home, my lord," an obvious lie.

Is Hamlet attracted to his mother? Hamlet unconsciously desires his mother, but due to the Symbolic Order of society, was never able to consummate his sexual attraction. The next best thing for him to do, however, was to take on his father as a role model. Once his father dies, his uncle fills this role.

Who killed Hamlet's father? Hamlet sees the ghost of his father. The ghost tells him that it was his brother Claudius, the new king, who killed him and commands Hamlet to get revenge.

What is the most dramatic scene in Hamlet? Act 5 Scene 2 - The tragic climax In the heat of the fight, the swords are switched. Laertes is in turn wounded by Hamlet, using the poisoned weapon, and dies. Hamlet dies in Horatio's arms.
