**What does the BMW Platinum extended warranty cover?** The BMW Platinum extended warranty is the highest level of breakdown protection offered by BMW. Coverage includes the engine, drive assembly, transfer case, transmission, radiator, fuel pump, water pump, radio, electrical, air conditioning, heat, and steering.

**How much is BMW extended warranty gold?**

**What is platinum protection package?** The Platinum Protection Plan is an exclusionary coverage. That means that everything is covered on your GM Vehicle unless it is in the Exclusions section of the Vehicle Service Contract.

**What is the difference between CarShield Platinum and Gold?** The CarShield Gold plan offers significantly less coverage than the Diamond plan. The Diamond and Platinum plans are similar to bumper-to-bumper warranties and offer the best coverage, protecting most components in your vehicle and offering peace of mind should a breakdown happen.

**What does the BMW warranty not cover?** Regular Maintenance and Wear-and-Tear Items These consist of things like tires, wiper blades, brake pads, and light bulbs. Regretfully, your BMW's warranty does not cover regular maintenance or the replacement of these worn-out parts.

**Is BMW extended warranty negotiable?** A BMW extended warranty could be negotiable depending on the finance manager you speak with at the dealership. However, there's no guarantee that a BMW dealership will be flexible on price.

**Can I negotiate the price of extended warranty?** Like the price of the car, you can negotiate the price of an extended warranty. But even if you can get the price down, you may want to pass on the extended warranty altogether, since they usually cost more than the out-of-pocket cost of repairs.

**Can I buy a BMW extended warranty after purchase?** A BMW extended warranty can be pricey, and you can only purchase it while your new car factory warranty is still valid. You can purchase a third-party extended warranty at any time, and they typically cost less.

**What voids BMW extended warranty?** In general terms, the BMW Warranty on a component is void due to modification where the modification, alteration or installation of an aftermarket part was directly responsible for the failure. Installation of an aftermarket part or accessory does not necessarily void the vehicle warranties.

**What is the difference between Gold and platinum warranty?** Gold Level coverage protects against mechanical failures. Platinum Level coverage protects against mechanical and electrical failures.

**Is it worth it to buy an extended warranty?** Yes, extended warranty plans can be worth it if you don't want to pay out of pocket for expensive repair bills.

**What is platinum level coverage?** With Platinum plans, your health plan pays 90 percent of your medical expenses on average, and you pay 10 percent. Covered California health insurance plans are sold in four levels of coverage: Bronze, Silver, Gold and Platinum.

**Who is the best extended auto warranty company?**

**Does CarShield cover the timing belt?** Other covered parts include the oil cooler and lines, oil pan, oil pump housing, engine torque strut, timing chain and belt cover, timing belt and more.

**Will CarShield replace my engine?** Most auto insurance coverage does not cover mechanical breakdowns unless they are the direct result of an auto accident. With a CarShield service contract, your engine, transmission, and other vital car parts are protected anytime they break down or malfunction.

**Are BMW oil changes free under warranty?** BMW Maintenance Program Covers all factory-recommended maintenance services – from oil, filter, and fluid changes to new brake pads and discs, spark plugs, and wiper blades.

**Is BMW factory warranty bumper to bumper?** The BMW warranty provides 4 years/50,000 miles of bumper-to-bumper and powertrain coverage. BMW covers electric vehicle high-voltage batteries for 8 years/100,000 miles. CPO BMWs receive 1 year/unlimited miles of extra bumper-to-bumper coverage.

**Are brake pads included in the BMW warranty?** Additional specific items that need replacement due to normal wear and tear and that are not covered by the original New Vehicle Limited Warranty—such as brake pads, brake rotors, and wiper blade inserts—are included provided wear and tear exceeds BMW wear limits.

**What is the mileage limit for BMW extended warranty?** Comprehensive This is our highest level of protection, and the policy covers the majority of your BMW's components. In addition, it covers wear and tear for covered components for the first 100,000 miles from registration.

**Why do dealerships try to sell extended warranty?** Because dealerships profit more from aftermarket sales than from new car sales, they hope to be your primary source for an extended car warranty. Dealers want to make the car buying experience as easy and efficient as possible, so they will try to sell you a warranty based on convenience and accessibility.

**How long does BMW extended warranty last?** A BMW Extended Warranty can provide protection for up to 7 years or 100,000 miles beyond the factory warranty, and also includes 24/7 roadside assistance, and ensures that all repairs are performed by BMW certified technicians using BMW replacement parts.

**What is not covered under extended warranty?** Like most warranties, extended warranties and vehicle service contracts don't cover routine maintenance, wear items such as tires, brakes or wiper blades, collision damage or damage resulting from lack of maintenance or abuse. You should not expect heavily modified vehicles to be covered.

**What is the mileage limit for BMW extended warranty?** Comprehensive This is our highest level of protection, and the policy covers the majority of your BMW's components. In addition, it covers wear and tear for covered components for the first 100,000 miles from registration.

**What is excluded from extended warranty?** An extended warranty or service contract on your vehicle pays the costs of some repairs, above what the manufacturer's warranty covers or after the manufacturer's warranty ends. Extended warranties and vehicle service contracts typically exclude routine maintenance such as oil changes and tire replacement.

**What is Platinum Plus warranty?** RAC Platinum Plus Warranty It includes mechanical and electrical components for failure to perform their normal function. It also includes: Wear & tear coverage is covered from the start date of the Plan. Failure due to carbon build up/carbonisation.

**Who wrote the original book of Shadows?**

**What is a witch's book called?** The term grimoire commonly serves as an alternative name for a spell book or tome of magical knowledge in fantasy fiction and role-playing games.

**How to make a handmade book of shadows?**

**What is being a Wiccan?** Description: Wicca is a nature-based, pagan belief system founded in the mid-20th century. Wiccans worship Nature, often personified as Mother Earth and Father Sky. As polytheists, they can use many different titles for their deities.

**What is the religion of shadows?** The belief system that holds the core of the dark weltanschauung can be summarized in a few fundamental ideas about knowledge, death, desire and community. Dark culture does not love science. Its favourite way of knowledge is some form of magical thinking.

**Do pagans have a holy book?** There are certainly people who call themselves pagans, but it falls short of being an organized religion. There are no doubt some pagans who have books that they hold up as holy, but there is no central text to paganism.

**How to unlock Book of Shadows?** The Book of Shadows is the Hades II equivalent to the Codex from Hades, and is unlocked after defeating Hecate three times in combat. Unlike its counterpart in the first game, which is known to have been written by Achilles, Hecate mentions that she, and others, had contributed to the text of the Book of Shadows.

**How much is the Book of Shadows worth?** According to Rose McGowan (Paige Matthews in the series), the Book of Shadows is worth 4 million dollars.

**What are female witches called?** Enchantress (supernatural), a magician, sorcerer, enchanter, wizard; sometimes called an enchantress, sorceress, or witch if female.

**What is an old witch called?** A hag is a witch, or a witch-like old woman. Many fairy tales include a hag as a frightening character. While the wide folklore and fairy tale tradition includes some hags with positive, benevolent qualities, you'll more often read about mean and ugly hags with evil intentions.

**Why is the Witches a banned book?** Other mixed receptions were the results of Dahl's depiction of the witches being monstrous in characterisation. Soon after its publication, the novel received compliments for its illustrations by Quentin Blake. The Witches was criticised for being misogynistic, and banned by some libraries as a result.

**What is the threefold law?** The Rule of Three (also Three-fold Law or Law of Return) is a religious tenet held by some Wiccans, Neo-Pagans and occultists. It states that whatever energy a person puts out into the world, be it positive or negative, will be returned to that person three times.

**What is the Wiccan rede?** In essence, the Rede can be fully understood as meaning that one should always follow their true will instead of trying to obtain simple wants and to ensure that following one's will does not harm anyone or anything.

**What do you need to make a shadow?**

**Is the Book of Shadows a spellcasting focus?** Your patron gives you a grimoire called a Book of Shadows. When you gain this feature, choose three cantrips from any class's spell list (the three needn't be from the same list). While the book is on your person, you can cast those cantrips at will. They don't count against your number of cantrips known.

**What is the story of the Book Shadow Magic?** Book overview Thorn, an outlaw's son, wasn't supposed to be a slave. He's been sold to Tyburn, an executioner, and

they're headed to Castle Gloom in Gehenna, the land of undead, where Thorn will probably be fed to a vampire. Lilith Shadow wasn't supposed to be ruler of Gehenna.

**What is the theory of shadows novel?** Paolo Maurensig's Theory of Shadows uses the game of chess as a vehicle to meditate on the Holocaust. Its central character is the infamous Alexandrovich Alekhine, a grand master who collaborated with the Nazis.

**What is the gathering of shadows about?** This sequel follows A Darker Shade of Magic (one of my favourite books). This time round, Lila is off on an adventure in an unfamiliar world, and is making the most of it. When she finds out her new captain, Alucard, is competing in the Element Games, Lila can't help but sneak her way in to test her new magic skills.
