Sherry Argov: Come Smettere di Soffrire

Sei stanca di soffrire per amore? Ti sei mai chiesta perché gli uomini ti trattano come una principessa all'inizio e poi come una nullità in seguito? Se hai risposto di sì a queste domande, allora devi leggere questo articolo.

Sherry Argov, autrice del libro bestseller "Perché gli uomini amano le stronze", sostiene che le donne mostrano troppo presto il loro interesse agli uomini e si rendono troppo disponibili. Questo comportamento scoraggia gli uomini e li porta a darci per scontate.

Perché le donne dovrebbero smettere di soffrire?

Argov sostiene che le donne dovrebbero smettere di soffrire perché non è produttivo. La sofferenza non porta a nulla di buono e, anzi, può addirittura danneggiare la tua salute fisica e mentale.

Come smettere di soffrire?

Secondo Argov, il modo migliore per smettere di soffrire è quello di diventare più forti e indipendenti. Dovresti imparare a prenderti cura di te stessa e non dipendere da nessuno per la tua felicità. Dovresti anche imparare a dire di no alle cose che non vuoi fare e a mettere te stessa al primo posto.

Come applicare i consigli di Argov?

Argov fornisce numerosi consigli pratici su come applicare i suoi insegnamenti. Ad esempio, suggerisce di non rispondere subito ai messaggi degli uomini, di non essere troppo disponibili a fare sesso e di non inseguirli. Suggerisce anche di concentrarsi sul miglioramento di se stesse e sul diventare una donna più interessante e attrattiva.

Consigli aggiuntivi

Oltre ai consigli di Argov, ci sono altre cose che puoi fare per smettere di soffrire. Ad esempio, puoi imparare a gestire le tue emozioni in modo sano, ad avere aspettative realistiche nei confronti degli uomini e a costruire una rete di sostegno solida.
