**Who is the stranger in the children's book the stranger?** Trivia. Fritz the dog appears on the page showing the stranger looking over the sheep. He is located at the bottom left corner. The title character is said by many to be Jack Frost.

**What is unique about Chris Van Allsburg?** Van Allsburg made narrative and pictures work together to convincingly blur the line between fantasy and reality. He won the Caldecott Medal twice, for his books Jumanji (1981) and The Polar Express (1985). Growing up, Van Allsburg initially focused more on math and science than on liberal arts disciplines.

**What age is appropriate to read The Stranger?** Marcus Clark It is not suitable for anyone under 18. There are some horrible things in this book, most of the murders are not detailed, but the parts that are could disturb anyone, particularly a teenager, for life.

**Who kidnapped the boy in The Stranger?** And so Henry reveals that he was responsible for kidnapping and murdering the child, before leading Mark and his colleague John to the scene of the crime in order to remove any remaining evidence.

**What happened in the book The Stranger?** Eventually, Meursault is found guilty of murder with malice aforethought and is sentenced to death by guillotine. As he waits for his impending death, he obsesses over the possibility of his appeal being

accepted.

**Who is the guy from the book The Stranger?** The protagonist and narrator of Albert Camus' *The Stranger* is a man named Meursault. The novel opens with the death of Meursault's Maman (mother). He goes to the funeral, but does not cry or properly pay his respects. The day after, he starts a sexual relationship with a woman named Marie Cardona.

**Why is stranger called stranger?** A stranger is a person who is unknown to another person or group. Because of this unknown status, a stranger may be perceived as a threat until their identity and character can be ascertained.

**What is a quote that Chris Van Allsburg said?** Chris Van Allsburg Quotes Though I've grown old, the bell still rings for me, as it does for all who truly believe. The inclination to believe in the fantastic may strike some as a failure in logic, or gullibility, but it's really a gift.

**Did Chris Van Allsburg write Jumanji?** *Jumanji* is the title of a 1981 children's illustrated short story and fantasy story written and illustrated by the American author Chris Van Allsburg. It was made into a 1995 film of the same name.

**What genre is Chris Van Allsburg?**

**Why is The Stranger rated R?** Parents need to know that *The Stranger* is a mystery drama that involves some violence, profanity, and drug use. Teens are depicted drinking and using drugs at a secret party, though the downside of drug use is also shown.

**Is Stranger Things too scary for an 11 year old?** Due to the violence and other mature content, we'd say this show is appropriate for ages 14 and up. But every child is different, and you'll know what is best for them.

**Is The Stranger based on a true story?** *The Stranger* is a fictionalized account of the massive real-life manhunt for the killer of 13-year-old Daniel Morcombe, who was abducted on Queensland's Sunshine Coast in 2003 while on his way to buy Christmas presents for his family at a local shopping mall.

---

**Did they catch the killer in The Stranger?** To make this possible, John says Teague must reveal all the details of the crime so the evidence can be erased. Frame becomes agitated as John nervously bumbles some of his lines. However, Teague is convinced to confess and takes the undercover police officers to the scene of the crime, where he is arrested.

**Did they find the body in the movie The Stranger?** The boy's remains are discovered, providing the last piece of the puzzle to officially charge Henry. The last scene of The Stranger sees a distraught Mark break down to his knees, grieving not only the murdered child but also the unlikely friendship he built with Henry.

**How does the book The Stranger end?** Finally, at the trial's conclusion, Meursault is condemned to execution. His sentence, decapitation, can be argued to be a symbol for his irrationality, as the brain usually represents logic and thought.

**What is the secret in The Stranger?** Corinne had a secret that the Stranger told her husband. She had faked a pregnancy, which Adam had investigated further. This secret causes a devastating impact to the family and Corinne goes missing as a result. Corinne's disappearance becomes the central conflict of the series as Adam becomes more and more involved.

**What is the last sentence of The Stranger?** For everything to be consummated, for me to feel less alone, I had only to wish that there be a large crowd of spectators the day of my execution and that they greet me with cries of hate. These are the last lines of the novel.

**Who is the bad guy in The Stranger?** Type of Villain Doug Tripp is the main antagonist of the Netflix show The Stranger. He is the neighbour of the protagonist Adam Price and his family. Doug is the father of Mike Tripp. Doug is introduced as a friend of Adam's and seems to try and help him find his wife Corrine who had gone missing.

**Why is The Stranger so famous?** Considered a classic of 20th-century literature, The Stranger has received critical acclaim for Camus's philosophical outlook, absurdism, syntactic structure, and existentialism (despite Camus's rejection of the label), particularly within its final chapter.

**What is the summary of The Stranger?** Summary of The Stranger Written by Albert Camus in 1942, The Stranger tells the story of the assassination of an Arab man who is never named. This story demonstrates the depths of human apathy as the main character, Meursault, is put on trial for the murder of the man.

**Why is the book The Stranger called The Stranger?** The title refers to the central character, Meursault, who is a "stranger" in the sense that he is psychologically alienated from other people and from the world at large. Meursault does not react to events and to his environment in a "normal" way, for he feels disconnected from life.

**What is the main idea of The Stranger?** The Meaninglessness of Human Life Camus argues that the only certain thing in life is the inevitability of death, and, because all humans will eventually meet death, all lives are all equally meaningless.

**What is the setting of the story The Stranger?** The Stranger is set in 1940s Algiers in French Algeria and was published in 1942, and Camus reflects the very real hierarchies and tensions between the Europeans (like Meursault) and the Arabs in the novel.

# **Tambora: The Eruption That Changed the World**

**By Gillen Darcy Wood**

## **Q: What was the Tambora eruption?**

A: The Tambora eruption was a catastrophic volcanic explosion that occurred on April 10, 1815, on the Indonesian island of Sumbawa. It was one of the most powerful volcanic eruptions in recorded history, with an estimated Volcanic Explosivity Index (VEI) of 7.

## **Q: What were the immediate effects of the eruption?**

A: The eruption caused widespread destruction on Sumbawa and neighboring islands. Ash and pumice rained down for days, burying villages and crops. Pyroclastic flows and lahars, or volcanic mudflows, devastated coastal areas. It is estimated that more than 71,000 people were killed as a direct result of the eruption.

## **Q: What were the global effects of the eruption?**

A: The ash and sulfur dioxide released into the atmosphere by the Tambora eruption had a significant impact on global climate. The ash blocked sunlight, causing a period of global cooling known as the "Year Without a Summer" in 1816. Crops failed, livestock died, and famine and disease spread. The eruption also influenced global patterns of precipitation, leading to changes in monsoon systems and droughts in some areas.

## **Q: How did the eruption affect human history?**

A: The Tambora eruption had a profound impact on human societies around the world. The Year Without a Summer caused crop failures and famine, leading to political and social unrest. In Europe, it contributed to the rise of nationalism and revolutions. The eruption also had a significant impact on scientific research, particularly in the fields of climatology and volcanology.

## **Q: What is the legacy of the Tambora eruption?**

A: The Tambora eruption remains one of the most powerful and destructive volcanic events in history. It serves as a reminder of the potential for catastrophic volcanic eruptions and their global impact. Today, the Tambora volcano is closely monitored by scientists, and its lessons continue to inform our understanding of volcanic hazards and climate change.
