In her imagination she has set the limits and the terms. No atonement for God, or novelists, even if they are atheists.

Why did Briony lie in Atonement? While, the dark and deceptive nature of Briony isn't disguised by the novel, the motives behind her deception are left to the interpretation of the reader. What is the lesson of the Atonement? This teaches us that we cannot earn, or do anything in ourselves, to atone for our sins. We could never work hard enough or do sufficient good deeds to earn forgiveness. Jesus did all the work for us. Our salvation was purchased entirely by Him, and He offers it as a free gift to those who come to Him in repentance.
