activities presented in the 'Stannard Allen Living English Structure' textbook, ensuring a thorough grasp of grammatical concepts.

Question 1: What is the difference between a subject and a predicate?

Answer: The subject is the part of the sentence that performs the action or refers to what is being discussed. The predicate includes the verb and expresses what the subject does, is, or is like.

Question 2: Identify the tense of the verb in the sentence: "She was singing in the choir."

Answer: Past continuous tense

Question 3: What is the function of an infinitive in a sentence?

Answer: An infinitive is a verb form that can function as a noun, adjective, or adverb. For example, "I want to go home" (noun), "It's nice to meet you" (adjective), "He decided to leave early" (adverb).

Question 4: How do you use the possessive form of nouns?

Answer: To indicate ownership or possession, use the possessive form by adding an apostrophe ('s) or just an apostrophe (') to the noun. For example, "the girl's bike" or "the boys' team."

Question 5: Explain the rules for subject-verb agreement.

Answer: The subject and verb in a sentence must agree in number (singular or plural) and person (first, second, or third). For example, "She goes to school" (singular third person) and "They go to school" (plural third person).

The 'Stannard Allen Living English Structure Answer Guide' provides detailed explanations and examples to support the answers, making it an essential companion for students striving to master English grammar.
