### **What is the story after nineteen stories of apocalypse and dystopia about?**

Real, Dare and a group of boys are struggling to survive. Forced to the extreme, they create a diving company, where the boys dive into toxic rivers to catch golden coins thrown by rich tourists, who find it amusing to watch them risk life and limb to get the money.

**Are apocalypse stories dystopian?** This can cause confusion between the genres, but even if there are dystopian elements involved, if the world is ending or has ended, it is a type of apocalyptic fiction, not a dystopia.

**What is the message of dystopian stories?** Dystopian novels with a didactic message often explore themes like anarchism, oppression, and mass poverty. Margaret Atwood, one of literature's most celebrated authors of dystopian fiction, sees the genre as a way into the future.

**What is the theme of Apocalypse story?** Themes. The apocalypse event may be climatic, such as runaway climate change; natural, such as an impact event; man made, such as nuclear holocaust; medical, such as a plague or virus, whether natural or man made; or imaginative, such as zombie apocalypse or alien invasion.

**What does dystopian mean?** : of, relating to, or being an imagined world or society in which people lead dehumanized, fearful lives : relating to or characteristic of a dystopia.

**What are 5 characteristics of a dystopian novel?** Common elements of dystopian fiction include societies engaged in forever wars, and characterized by extreme

social and economic class divides, mass poverty, environmental devastation, anarchy, and loss of individuality.

**Is the dystopian genre dead?** These genres become popular because readers enjoy particular tropes or plot types, and are thus more inclined to read books that include them. These dystopian films were adaptations of novels the young adult demographic consumed and loved, but the genre has all but disappeared.
