When Hera took pity on the bird and held it to her breast, Zeus resumed his true form and ravished her. Hera then decided to marry him to cover her shame, and the two had a resplendent wedding worthy of the gods.

**Who cursed Medusa?** Athena looked down in anger and cursed Medusa for betraying her. Medusa was sent to a faraway island and was cursed so that no man would want her. She was given cracked skin, madness, and her signature snake hair and stone eyes. Medusa was now a monster woman.

**Who was Zeus' favorite child?** In one of the most bizarre twists of Greek mythology, Zeus's daughter Athena burst out of her father's head as an adult, fully clothed in armour and ready for battle. Perhaps partly because of the strange circumstances of her birth, Athena is often cited as Zeus's favourite child.
