## Download Complete File

**Does the TUI Boeing 737-800 have TV screens?** Boeing 737-700, -800 and MAX 8 No Entertainment Programme is available on board a Boeing 737. After takeoff you can use your own smartphone or tablet during the flight. On board the Boeing 737-MAX 8 you can charge these devices with the USB charging outlet in your seat.

**What plane does TUI fly use?** Boeing 737 MAX 8 TUI Airways' fleet features 21 of these aircrafts, flying out of several UK airports to short-haul and mid-haul destinations in Europe and beyond. The 737 MAX is the latest version of the Boeing 737, which is one of the world's most popular aircraft.

**Have any Boeing 737-800 crashed?** BEIJING (AP) — Two years after a Boeing 737-800 passenger jet crashed on a domestic flight in China, killing all 132 people on board, accident investigators indicated Wednesday that they have not yet determined the cause.

**Which seat on 737-800 has no window?** That is correct. On a 737-800, it is seat 10A. On a 737-900, 737-900ER, or 737 MAX 9, it is seat 11A.

**Do you get free headphones on TUI flights?** We provide headphones free of charge on long-haul flights – remember to hold on to them for your journey home. To stream movies direct to your personal device on our short and mid-haul flights, remember to pack some headphones. Don't worry too much if you forget them, though, as you can buy a pair onboard.

**Do you get free drinks on TUI long haul flights?** On our long-haul flights – of seven hours or more – you'll get free bottle of water when you board, plus a main meal\* and a lighter snack before landing. Your main meal will be served with a glass of wine, followed by your choice of tea or coffee. And you can choose what type of

meal you need when you book.

**Where is the best place to sit on a TUI flight?** Seats 12A and 12J are standard economy yet offer extra legroom. Seats 13A to 13F, 14A to 14F, and 15A to 15C, 32A and 32J on the Tui Boeing 787 offer extra legroom due to the proximity to the exit as well as seats 32B to 32F.

**What size are the seats on TUI?** When it comes to space onboard TUI's planes, we work things out by seat pitch. On our shorter flights, the standard seat pitch is around the 28" mark, while in the long haul Economy Club cabin you get from 32".

**What does "TUI" stand for?** TUI is an acronym for Touristik Union International ("Tourism Union International"). TUI AG was known as Preussag AG until 1997 when the company changed its activities from mining to tourism. It is headquartered in Hanover, Germany.

**Are there issues with the Boeing 737-800?** In one of the most recent incidents involving Boeing, a 737-800 aircraft landed March 15 in Oregon missing a panel on the underside of the plane. The aircraft is an older Boeing model, which made its first flight in 1998 and has been operated by United Airlines since 2011, the Associated Press reported.

**Is the 737-800 reliable?** Reliability: The 737-800 has a strong track record of reliability and safety, which is crucial for airlines and passengers alike.

**What is the 737 problem in 2024?** January 11, 2024 This investigation is a result of an incident on a Boeing Model 737-9 MAX where it lost a "plug" type passenger door and additional discrepancies. Boeing's manufacturing practices need to comply with the high safety standards they're legally accountable to meet.

**What seats to avoid on Boeing 737-800?** On the 737-800 and 737 MAX 8, these seats are 16A and 16F. The worst seats vary depending on travel preferences, but many passengers dislike the last row in the airplane due to its proximity to loud cabin areas and lack of seat recline.

**Does Boeing 737-800 have screens?** The Boeing 737-800 is retrofitted with tablet holders instead of TV screens.

**Which is the safest seat on a plane middle window or aisle?** However, if you're somebody who wants to feel like they're in the safest seat in case of an emergency, there are two factors to consider: Is the seat located in the aisle, middle, or next to the window? – Data suggests that sitting in the middle of a row is the safest place to be.

**Can you take food on TUI flights?** Can I take my own food for the flight? Yes. However, we can't provide heating facilities on board - although for infants, we are able to warm bottles of milk in hot water. Therefore, we would advise low-risk food such as pre-made sandwiches and snacks that can be eaten cold.

**Is TUI strict with hand luggage?** If you're just booking a TUI Airways flight, you can carry 1 piece of hand luggage of up to 10kg for free. The maximum dimensions of your hand luggage can be 55x40x20cm and you must be able to lift your hand luggage into the overhead storage compartments yourself.

**Do you get anything on a TUI flight?** Complimentary meals are included with all our long-haul flights. Menus vary depending on your destination and flight time, and all meals are followed by a hot drink. We'll also pass through the cabin with complimentary bar services offering soft, hot and alcoholic drinks of your choice.

**Do you get a blanket on a TUI flight?** Yes you get a pillow and blanket on your Inbound night flight in economy.

**Does TUI give you boarding pass?** You'll need to print off the boarding passes and take them with you when you travel. You'll need to print each boarding pass clearly on an individual piece of A4 paper. If you can't print your boarding passes, you can collect them from any TUI Holiday Store, or from the TUI bag drop desk when you arrive at the airport.

**How long does a flight have to be to get a meal?** flights under 2 hours: a snack. flights over 2 hours: a main meal. flights over 7 hours: a main meal and snack. flights over 12 hours: two main meals and a snack.

**What happens if you don't select seats on a flight with TUI?** No you don't need to book seats but you'll be allocated the seats that are left. It's very unlikely that a family will be sat together, but there will be seats available. Airlines like TUI do not

over book like scheduled airlines often do.

**Do TUI overbook their flights?** You may be able to claim flight compensation if you were involuntarily denied boarding by TUI because of an overbooked flight. In addition, you have further passenger rights to compensation if your flight was overbooked.

**Do you get seated together on TUI?** We'll attempt to accommodate your party together wherever possible, although this can't be guaranteed. Seats together means seats that are alongside each other, immediately in front and behind each other. Parties may be separated by an aisle.

**Does Boeing 737-800 have TV screens?** Instead of TV screens, American offers inflight entertainment streamed to a personal device that can be propped on a seatback holder.

**Do you get TVs on TUI flights?** However, if you're flying long-haul - that's flights longer than seven hours – you'll have a selection of movies, TV shows and music playlists to choose from. Take a look at our long haul inflight entertainment guide for more details.

**How do I know if my flight has TV screens?** Another option is seat map websites, such as Skytrax or SeatGuru. Just enter your flight details and explore the seat map to see if your seats come with personal TV/On-Demand TV or not.

**Do Dreamliner planes have TVs?** The Dreamliner features personal touch screen entertainment systems at every seat, where guests can access a variety of movies, music, games and TV shows on demand. Complimentary noise-cancelling headphones are offered for all guests.

**What seats to avoid on Boeing 737-800?** On the 737-800 and 737 MAX 8, these seats are 16A and 16F. The worst seats vary depending on travel preferences, but many passengers dislike the last row in the airplane due to its proximity to loud cabin areas and lack of seat recline.

**What are the seat amenities on a 737-800?**

**Does the Boeing 737-800 have outlets?** Focused on fuel efficiency and passenger comfort, the Boeing 737-800 has 147 leather Recaro seats with more personal space, seatback outlets, Boeing's award-winning Sky Interior, inflight internet service, and access to the Inflight entertainment hub.

**Do you get anything on a TUI flight?** Complimentary meals are included with all our long-haul flights. Menus vary depending on your destination and flight time, and all meals are followed by a hot drink. We'll also pass through the cabin with complimentary bar services offering soft, hot and alcoholic drinks of your choice.

**Can I take food on a TUI flight?** You can also carry foods for special dietary requirements as long as it's essential for the flight or holiday. Please give any food or baby milk to staff when you go through airport security, as it'll be screened separately.

**What does "TUI" stand for?** TUI is an acronym for Touristik Union International ("Tourism Union International"). TUI AG was known as Preussag AG until 1997 when the company changed its activities from mining to tourism. It is headquartered in Hanover, Germany.

**Do TUI planes have USB ports?** A modern flying experience The 737 MAX is the newest model of the Boeing 737, which has long been one of the world's most popular aircraft. The aircraft delivers a great experience inside the cabin, with USB outlets at every seat and more space for both passengers and crew.

**Why do some flights not have screens?** Some airlines have started considering removing these screens to save on costs.

**How long does a flight have to be to get a meal?** flights under 2 hours: a snack. flights over 2 hours: a main meal. flights over 7 hours: a main meal and snack. flights over 12 hours: two main meals and a snack.

**Do you get a blanket on a TUI Dreamliner?** Yes you get a pillow and blanket on your Inbound night flight in economy.

**What seats to avoid on Dreamliner?** Seats to avoid Seat 29A is a seat to avoid as it's close to the toilets and hasn't got a window. Seats 44A to 44C, and 44G to 44J

are on the plane's last row and have bad reviews because they offer limited recline.

**Do you get headphones on Dreamliner?** You get given complimentary earphones in economy, not headphones. Angie. Yes they would fit if they are 3.5mm, the sockets do take a single jack.
