## Download Complete File

**What books were written about Andrea Yates?** The Unspeakable Crime of Andrea Yates by Suzanne O'Malley.

**What did Yates do to his victims?** Yates initially solicited the victims; after having sex with them, often in his Ford van, he would kill them and dump their bodies in rural locations. All of his victims died of gunshot wounds to the head or heart. Eight of the murders were committed with a Raven .

**What medication was Andrea Yates on?** Once again hospitalized, she was given a plethora of medications, including Haldol, an anti-psychotic drug. Yates' condition improved immediately, and she was prescribed it upon her release. After this incident, Rusty moved the family into a small house for the sake of her health.
