

# LORD OF THE FLIES CHAPTER 1

## STUDY GUIDE QUESTION ANSWERS

### [Download Complete File](#)

**What are questions in Lord of the Flies chapter 1?**

**What happens in chapter 1 of Lord of the Flies Quick?** In chapter one of Lord of the Flies, we learn that children are stranded on an island as a result of a plane crash. Piggy and Ralph meet first, then they call a meeting by using a conch shell to summon anyone else on the island. They meet a boy named Jack, who has put himself in charge of his choir.

**What did Piggy's aunt own?** What did Piggy's aunt do for a living? And why did he live with her? she owned a Candy Shop, because his parents are dead.

**Why does Jack think he should be chief in chapter 1?** Why does Jack think he should be the chief? Jack believes he is superior to Ralph because of his status back home. He states, "I ought to be chief . . . because I'm chapter chorister and head boy." Later, Jack thinks he should be chief because he is a strong hunter.

**Who faints in chapter 1 of Lord of the Flies?** One of the boys in the choir, Simon, faints. Jack soon tells Piggy to shut up, and calls him "Fatty." Ralph gleefully reveals that Piggy's name is "Piggy." Everyone laughs, humiliating Piggy.

**Why does Jack hate Ralph?** Summary: Jack's animosity and aggression toward Ralph in Lord of the Flies stem from his desire for power and control. He resents Ralph's authority and leadership, feeling that he himself should be the chief.

**What is Piggy's real name?** Piggy's real name is never revealed. Instead he is treated as though he is one of the pigs on the island - also like one of them, he is

brutally killed. Piggy remains an outsider and a victim throughout the novel, though Ralph does come to respect him. How is Piggy like this?

**What does Jack do in Chapter 1 Lord of the Flies?** Among the group is a boys' choir, dressed in black gowns and led by an older boy named Jack. They march to the beach in two parallel lines, and Jack snaps at them to stand at attention. The boys taunt Piggy and mock his appearance and nickname. The boys decide to elect a leader.

**What does the conch symbolize in Lord of the Flies chapter 1?** At the first meeting, Ralph creates rules that mimic the civilized world that the boys recently left. The conch is used not only to call meetings but also to establish order when the boys talk. Thus, the conch symbolizes civilization, adult rules, and the democratic process.

**Does Piggy get eaten Lord of the Flies?** How Does Piggy Die in Lord of the Flies? Piggy dies by falling to the rocks below after Roger releases a boulder from above that glances off of Piggy.

**What was Piggy holding when he died?** Piggy holds up the conch and gives a short speech calling the boys childish, and Roger drops a boulder on him, breaking the conch and killing Piggy. Jack taunts Ralph and throws a spear at him, and Ralph runs away. Jack then tells Samneric they have to join his tribe.

**Who reveals Piggy's nickname?** Ralph's decision to reveal Piggy's nickname, despite Piggy's earlier plea not to do so, shows that he was willing to hurt others in order to benefit himself, an evil quality.

**What happened in chapter 1 of LOTF?**

**Who killed Simon in Lord of the Flies?** In the darkness, Simon crawls into the group and tries to tell them what he has seen but it is too late. The boys have lost all control and thinking he is the Beast, they kill Simon - even Ralph and Piggy are involved.

**What is the scar often mentioned in chapter 1?** On a very basic level, the scar is the path that the boys' wrecked plane has cut across the island. Literally, it is the plane's crash site. As chapter one begins, we meet our protagonist, Ralph, and the novel describes the scene as follows: 'All round him the long scar smashed into the

jungle was a bath of heat.

**Who is the smartest boy on the island LOTF?** Piggy is the smartest boy in Lord of the Flies. He uses his intellect and scientific reasoning to advise Ralph and the rest of the boys.

**What boy cannot remember his name?** At the end of the novel, when the boys are finally rescued, Percival can no longer recall his name and address.

**What does Piggy not want to be called?** They find a conch which throughout the whole book is used as a symbol for order and Ralph blows into it to bring any survivors to them. Soon kids and Jack with the choir arrives. Ralph tells everyone that Piggy's name is not Fatty but Piggy which was the one name Piggy did not want to be called.

**Why does Jack try killing Ralph?** By the end of the story, Jack is so obsessed with power and his hate for Ralph that he would do anything to get rid of him, including hunting him like an animal and killing him. Jack burns down the jungle in an attempt to flush Ralph out, which, ironically, catches the attention of a passing ship and gets them rescued.

**Did Jack stab Ralph?** "Jack made a rush and stabbed at Ralph's chest with his spear. Ralph sensed the position of the weapon from the glimpse he caught of Jack's arm and put the thrust aside with his own butt. Then he brought the end round and caught Jack a stinger across the ear.

**Why does Jack hit Piggy instead of Ralph?** Once Jack and the hunters return with a dead pig, Ralph blames Jack for the fire going out. Jack becomes defensive and takes out his anger by punching, slapping, and mocking Piggy.

**What is the central question of Lord of the Flies?** The central concern of Lord of the Flies is the conflict between two competing impulses that exist within all human beings: the instinct to live by rules, act peacefully, follow moral commands, and value the good of the group against the instinct to gratify one's immediate desires, act violently to obtain supremacy ...

**What important question does Ralph ask Jack in Chapter 7?** At one point, Ralph calls on the knowledge passed on to him by Piggy and challenges Jack directly by

asking him, "Why do you hate me?" He doesn't get an answer from Jack, but the reaction of the other boys is that "something indecent had been said." The boys recognize that Ralph is opening up the floodgates of ...

**What does the pig symbolize in Lord of the Flies Chapter 1?** The Lord of the Flies is saying that there is no real beast, he is the beast. The pig head represents the darkness within all people, showing Simon that the beast is something internal and insidious.

**What are 5 questions to ask about Chapter 2 Lord of the Flies?**

**Is it hard to pass the LEED Green Associate exam?** The passing score is 170 out of 200. As for the LEED GA exam pass rate, to recent data the overall pass rate is around 65%. However, this pass rate can vary depending on factors such as the level of preparation, relevant experience, and familiarity with the exam content.

**How many questions are on the LEED Green Associate exam?** Exam: The exam is two hours long and has 100 multiple-choice questions. You have the option to take the exam at a Prometric Testing Center or from home as a remote proctored online exam. Review exam details. Maintain: LEED Green Associates must earn 15 continuing education hours within two years of passing their exam.

**What is the pass rate for the LEED Green Associate exam?** With a 99% pass rate, we are so confident in our unique teaching method. With our LEED Green Associate complete exam prep package, if you fail your exam on your first-try, we will provide you a full refund.

**How long do I need to study for the LEED Green Associate exam?** With GBRI's study materials, you can earn your LEED Green Associate credential in as little as 5 weeks. Based on your schedule, attend the 4 week instructor-led live exam prep sessions OR utilize self-paced online on-demand exam prep modules.

**Is the LEED exam open book?** Is the exam open-book? All LEED exams are closed-book. Accessing personal effects during an exam is considered a security infraction, and as a result, the exam session may be voided without refund.

**How much does the LEED Green Associate exam cost?** How much does it cost to take the LEED Green Associate exam? The LEED Green Associate exam costs

\$250 (\$200 for USGBC members). See the exam page on the USGBC website for more information about exam fees. Your exam registration fee is valid for one exam attempt.

**Does a LEED Green Associate expire?** How Long Does the Green Associate Credential Last? All LEED credentials last indefinitely provided they are maintained every two years with continuing education. This ensures professionals are up-to-speed with this constantly evolving building standard.

**Is LEED certification hard?** To earn it, one has to pass the LEED AP BD+C exam. And since this LEED exam has an estimated 30% pass rate, successfully completing any LEED AP exam is not an easy task. But with the right guidance, study materials and practice tests, you can surely pass the exam with great results.

**What happens if you fail LEED exam?** You can retake your exam, but if you fail 3 times in-a-row then you have to wait 6 months before you can try again (don't worry, if you use our study tools for this exam you will pass on the first try). Next, pay your exam fee and save the code that you get somewhere handy.

**Is LEED ga worth it?** In general, LEED GA is a good option for those who are new to green building or who want to learn more about the LEED rating system. LEED AP BD+C is a good choice for those who are actively working on green building and LEED projects.

**How many times can you take the LEED exam?** If you pass one part of the LEED AP exam, you will have to retake only the part you failed. Please note that you are subject to the restrictions of three attempts per application period.

**Is the LEED exam multiple choice questions?** The LEED® Green Associate exam contains 100 randomly delivered multiple choice questions that must be completed in 2 hours. In order to pass all the LEED Professional exams, candidates must score 170 points out of 200 possible points.

**How is the LEED GA exam scored?** Instead of trying to make each exam set equally difficult, a “difficulty coefficient” or “multiplier” is given to each exam. Your “raw score” on the exam is multiplied by that coefficient and your scaled score is the resulting number. If it's above 170, you pass.

**What are the benefits of being a LEED Green Associate?** In conclusion, becoming a LEED Green Associate™ provides tangible benefits, including increased salary, more job opportunities, competitive advantages in the job market, and enhanced professional credibility.

**What is the difference between LEED AP and LEED green associate?** The LEED Green Associate exam will test your high-level knowledge and ability to recall basic facts about the LEED Rating System structure. The LEED AP exams, on the other hand, will require more technical understanding of how to earn points on a LEED building project.

**Is the LEED Green Associate exam online?** Individuals are now able to take the LEED Green Associate and LEED AP with specialty exams from home as remotely proctored online exams. Learn more in the LEED Green Associate candidate handbook and LEED AP with specialty candidate handbook and in our Help Center remotely proctored exam FAQ page.

**How long does it take to study for a LEED green associate?** This LEED Green Associate exam study plan provides step-by-step guidance to get you test-ready in two weeks. Download the syllabus to learn more about what to expect from this study plan. Plan to take 3-5 hours to study each day, depending on your own pace.

**Is it hard to pass LEED AP?** Many people consider the LEED AP exam to be a difficult test because of its focus on formulas, calculation and memorization. The test can be difficult, especially for those who are not used to multiple-choice questions in a tight amount of time.

**Does LEED ga expire?** The LEED Green Associate is maintained in two-year cycles. As such, you have two years to meet your continuing education requirements. The end date on this reporting/credentialing period is calculated by adding two years to your exam date and subtracting one day.

**How to put a LEED Green Associate on a resume?** The correct usage would be “John Smith, LEED Green Associate.” Trademark or copyright symbols are not required on business cards or other materials with similar space limitations.

**How long does LEED certification last?** and the LEED for Interior Design and Construction (ID+C) rating system adaptations (CI, Retail, etc.) do not expire.

**How much does it cost to take the LEED Green Associate exam?**

**Can you lose your LEED certification?** If you do not complete your continuing education requirements by the end of your two-year reporting period, your LEED credential lapses and becomes inactive.

**Can anyone be LEED certified?** To take the LEED Green Associate or AP exams, candidates must be 18 years or older. Other than this, there are no other requirements.

**Is the LEED certification hard?** To earn it, one has to pass the LEED AP BD+C exam. And since this LEED exam has an estimated 30% pass rate, successfully completing any LEED AP exam is not an easy task. But with the right guidance, study materials and practice tests, you can surely pass the exam with great results.

**How many times can you take the LEED exam?** If you pass one part of the LEED AP exam, you will have to retake only the part you failed. Please note that you are subject to the restrictions of three attempts per application period.

**What are the requirements to be a LEED Green Associate?** There are absolutely no prerequisites or eligibility requirements for LEED Green Associate exam. However, USGBC does recommend that you have exposure to LEED and green building concepts through education, volunteering, or work experience.

**How long did you study for leed AP?** According to the USGBC website and study plan published on their website, you can prepare yourself for the exam in 4 weeks. They have also published guidelines that you can follow to get the best output by studying 3-5 hours each day.

**Does LEED certification increase salary?** A Leed Certification Reviewer in your area makes on average \$31 per hour, or \$0.90 (30.149%) more than the national average hourly salary of \$29.88.

**What is a passing score for LEED?** In order to pass all the LEED Professional exams, candidates must score 170 points out of 200 possible points. 125 is the minimum score in all the LEED Professional exams. If you are taking the LEED AP exam combined, you should score 170 or higher points on both core parts of the exam.

**Is LEED certification worth the cost?** The Bottom Line: LEED Certification Demonstrates Your Home's Sustainability. A LEED certification distinguishes a home and adds value, in addition to other significant long-term savings and health benefits.

**Do LEED certifications expire?** The LEED for Building Operations and Maintenance rating system (LEED O+M) certifies the sustainability of the ongoing operations & maintenance of existing buildings, and, therefore, LEED O+M certifications expire after 3 years (v4. 1) or 5 years (v2, v2009, v4) if the building has not been recertified.

**What happens if you fail LEED exam?** You can retake your exam, but if you fail 3 times in-a-row then you have to wait 6 months before you can try again (don't worry, if you use our study tools for this exam you will pass on the first try). Next, pay your exam fee and save the code that you get somewhere handy.

**What are the disadvantages of LEED certification?** LEED Assessments Too few of its standards are results-driven, with high pay-back in areas other than environmental stewardship. Its rewards are self-serving, and used more often by a narrow group of elite users rather than a broad population.

**Does a LEED Green Associate expire?** How Long Does the Green Associate Credential Last? All LEED credentials last indefinitely provided they are maintained every two years with continuing education. This ensures professionals are up-to-speed with this constantly evolving building standard.

**Is the LEED Green Associate exam online?** Individuals are now able to take the LEED Green Associate and LEED AP with specialty exams from home as remotely proctored online exams. Download the syllabus to learn more about what to expect from this study plan. Plan to take 3-5 hours to study each day, depending on your own pace.

**How fast can you get LEED certified?** This process usually takes 20-25 business days.

**How to pass the LEED AP exam?**

### **Surface Area and Volume Multiple Choice Questions**

#### **Paragraph 1**

1. A cube has a side length of 5 cm. What is its surface area? (a) 25 cm<sup>2</sup> (b) 50 cm<sup>2</sup> (c) 100 cm<sup>2</sup> (d) 125 cm<sup>2</sup> Answer: (c)
2. A rectangular prism has a length of 6 cm, a width of 4 cm, and a height of 3 cm. What is its volume? (a) 12 cm<sup>3</sup> (b) 24 cm<sup>3</sup> (c) 48 cm<sup>3</sup> (d) 72 cm<sup>3</sup> Answer: (c)

#### **Paragraph 2**

3. A sphere has a radius of 3 cm. What is its surface area? (a) 9? cm<sup>2</sup> (b) 12? cm<sup>2</sup> (c) 18? cm<sup>2</sup> (d) 36? cm<sup>2</sup> Answer: (a)
4. A cone has a radius of 5 cm and a height of 10 cm. What is its volume? (a) 25? cm<sup>3</sup> (b) 50? cm<sup>3</sup> (c) 75? cm<sup>3</sup> (d) 100? cm<sup>3</sup> Answer: (b)

#### **Paragraph 3**

5. A cylinder has a radius of 4 cm and a height of 6 cm. What is its surface area? (a) 48? cm<sup>2</sup> (b) 80? cm<sup>2</sup> (c) 96? cm<sup>2</sup> (d) 128? cm<sup>2</sup> Answer: (b)
6. A pyramid has a square base with a side length of 6 cm and a height of 4 cm. What is its volume? (a) 12 cm<sup>3</sup> (b) 24 cm<sup>3</sup> (c) 48 cm<sup>3</sup> (d) 96 cm<sup>3</sup> Answer: (b)

#### **Paragraph 4**

7. A hemisphere has a radius of 5 cm. What is its surface area? (a) 10? cm<sup>2</sup> (b) 25? cm<sup>2</sup> (c) 50? cm<sup>2</sup> (d) 75? cm<sup>2</sup> Answer: (b)
8. A trapezoidal prism has a length of 8 cm, a width of 6 cm, a height of 4 cm, and a slant height of 5 cm. What is its surface area? (a) 64 cm<sup>2</sup> (b) 72 cm<sup>2</sup> (c) 80 cm<sup>2</sup> (d) 96 cm<sup>2</sup> Answer: (b)

#### **Paragraph 5**

9. A torus (doughnut shape) has a major radius of 5 cm and a minor radius of 2 cm. What is its volume? (a) 40? cm<sup>3</sup> (b) 80? cm<sup>3</sup> (c) 120? cm<sup>3</sup> (d) 160? cm<sup>3</sup> Answer: (b)
10. A cone has a radius of 6 cm and a slant height of 10 cm. What is its surface area? (a) 90? cm<sup>2</sup> (b) 120? cm<sup>2</sup> (c) 150? cm<sup>2</sup> (d) 180? cm<sup>2</sup> Answer: (c)

#### **The Subtle Ruse: Arabic Wisdom and Guile**

The subtle ruse, often referred to as "hiyal" in Arabic literature, plays a significant role in Arabic culture and thought. It encapsulates a complex set of strategies and tactics for achieving one's goals without resorting to force or direct confrontation.

**Q:** Why is the subtle ruse valued in Arabic culture?

**A:** The subtle ruse is seen as a form of wisdom, enabling individuals to navigate complex social and political situations without incurring unnecessary risks. It allows them to gain advantage over opponents without appearing to do so, thus preserving their honor and reputation.

**Q:** What are some common manifestations of the subtle ruse?

**A:** The subtle ruse can take many forms, including flattery, deception, ambiguity, indirect communication, and the use of intermediaries. It often relies on a deep understanding of human nature and a keen eye for detail.

**Q:** How is the subtle ruse depicted in Arabic literature?

**A:** The book "The Book of Arabic Wisdom and Guile" by al-Jahiz is a classic text that explores the concept of the subtle ruse. It offers a collection of stories, anecdotes, and maxims that provide guidance on how to employ *hiyal* effectively.

**Q:** What are the advantages of using the subtle ruse?

**A:** The subtle ruse can be advantageous in situations where direct confrontation is impractical or undesirable. It allows individuals to achieve their objectives without creating unnecessary conflict or attracting attention.

**Q:** Are there any ethical considerations to using the subtle ruse?

**A:** While the subtle ruse is generally considered a form of wisdom, it is important to exercise caution when employing it. It should not be used for malicious or harmful purposes, and practitioners should be aware of the potential consequences of their actions.
