## **World Geography Location Activity 5b: Answers**

**Question 1:** Identify the location of the following countries on the map:

- Canada
- Mexico
- Brazil
- Argentina
- Peru

**Answer:**

- Canada is located in North America, bordering the United States to the south and the Arctic Ocean to the north.
- Mexico is located in North America, bordering the United States to the north and Guatemala and Belize to the south.
- Brazil is located in South America, bordered by all other South American countries except Chile and Ecuador.
- Argentina is located in South America, bordering Bolivia, Paraguay, Uruguay, Brazil, and Chile.
- Peru is located in South America, bordering Ecuador, Colombia, Brazil, Bolivia, and Chile.

**Question 2:** Label the following bodies of water on the map:

- Pacific Ocean
- Atlantic Ocean
- Caribbean Sea
- Gulf of Mexico
- Amazon River

**Answer:**

- The Pacific Ocean is located to the west of North and South America.
- The Atlantic Ocean is located to the east of North and South America.
- The Caribbean Sea is located between North America and South America, bordering the Caribbean countries.
- The Gulf of Mexico is located between the United States and Mexico, forming part of the Atlantic Ocean.
- The Amazon River is the largest river in the world, flowing through South America, mainly in Brazil.

**Question 3:** Use the scale bar to calculate the distance between the following two cities:

- Rio de Janeiro, Brazil
- Buenos Aires, Argentina

**Answer:**

The scale bar on the map measures approximately 1 inch equals 500 miles. Using a ruler or measuring tape, the distance between Rio de Janeiro and Buenos Aires is about 2 inches. Therefore, the distance between the two cities is approximately:

$$2 \text{ inches} * 500 \text{ miles/inch} = 1,000 \text{ miles}$$

**Question 4:** Describe the geographical features of the following region:

- Andes Mountains

**Answer:**

The Andes Mountains are a mountain range that runs along the western coast of South America, stretching from Venezuela to Chile. They are the longest continental mountain range in the world, with a length of over 7,000 miles. The Andes Mountains feature rugged terrain, high peaks, and active volcanoes. They also contain some of the highest mountain passes in the world.

**Question 5:** Explain how the location of a country influences its culture and economy.

**Answer:**

The location of a country can have a significant impact on its culture and economy. For example, countries located near large bodies of water often have a maritime culture, with a focus on fishing and trade. Countries located in mountainous regions may have a more isolated culture, with a reliance on agriculture and subsistence farming. The location of a country can also influence its economic development, as access to resources, trade routes, and markets can be a major factor in economic growth.

### **Unraveling the Mystery: "The Killables" by Gemma Malley**

"The Killables" is a captivating novel by Gemma Malley that delves into the dark and dangerous world of assassins. The book follows the story of Rebecca, a young woman who is dragged into a shadowy world she never knew existed.

#### **1. Who is Rebecca and why is she targeted?**

Rebecca is a young woman living an ordinary life when she is unexpectedly targeted by assassins. She soon learns that her late father had ties to a secret organization called "The Killables," a group of highly skilled assassins. As the daughter of a former member, Rebecca becomes a target herself.

#### **2. What is "The Killables" organization?**

The Killables is a mysterious and elite organization of assassins who operate in the shadows. They are known for their ruthlessness and their ability to eliminate targets without leaving a trace. The organization's motives and leadership remain unclear throughout the novel.

#### **3. How does Rebecca fight back against the assassins?**

Initially, Rebecca is frightened and overwhelmed by the relentless attacks. However, as she uncovers more about her father's past and the workings of The Killables, she

develops her own skills and determination. With the help of a enigmatic stranger named Kieran, Rebecca learns to defend herself and fight back against her pursuers.

#### **4. What is the ultimate goal of The Killables?**

As Rebecca gets closer to the truth, she discovers that The Killables have a larger and more sinister agenda than simply eliminating their targets. They seek to control global events and manipulate the balance of power. Rebecca must race against time to stop their plans before they have devastating consequences.

#### **5. What is the significance of the title "The Killables"?**

The title "The Killables" suggests that even the most hardened assassins are ultimately vulnerable. Rebecca's journey forces her to confront her own mortality and the fragility of life. The novel raises questions about the nature of violence, the consequences of unchecked power, and the limits of human resilience.
