**How much does Pete Nelson charge to build a treehouse?** How much does a treehouse cost built by Treehouse Masters? For a custom build from Treehouse Masters (called Nelson Treehouse), expect to pay \$275,000 on average. According to the owner, Pete Nelson, he builds these structures for anywhere from \$250,000 to \$400,000.

**What did Pete Nelson do before building tree houses?** One Wild Dream Shaped Pete's Career. He had an economics degree and was a carpenter by trade, and he'd realized he needed to specialize his skills to really build a business. He'd loved treehouses since his father built one for him in their New Jersey backyard when he was five.

**Who is the guy who builds tree houses?** NELSON TREEHOUSE & SUPPLY Under the visionary leadership of Pete and Judy Nelson, our family business achieved international acclaim as master treehouse designers and builders. This site unites all the elements of our treehouse world.

**What is the show about building treehouses?**

**How long does it take Pete Nelson to build a treehouse?** "The show really turned up the heat," Nelson says. Tree houses that once took three to five months to complete were now done over the course of a few weeks for filming purposes. And the Nelsons ramped up their work schedule so they were building 15 to 20 tree houses a year.

**Why did Treehouse Masters get canceled?** It was a collective decision, and we all felt that the time had come to feather off the gas and reflect on all the beautiful experiences we've shared together. Don't worry, we're still building treehouses—just not on television.

**What is the biggest treehouse Pete Nelson has built?**

**Is Treehouse Masters still building?** I'd like to share the bittersweet news that we wrapped our final season of #TreehouseMasters last fall—the 11th season to air was our last. I can't thank everyone enough for the experience that has been the highlight of my life so far! [nelsontreehouse.com/blog/2019/4/15...](https://nelsontreehouse.com/blog/2019/4/15...)

**How much was treehouse sold for?** (NYSE: THS) ("TreeHouse" or "the Company") announced today that it has completed the sale of a significant portion of its Meal Preparation business to Investindustrial for \$950 million. The divested business has been renamed Winland Foods, Inc.

**Who owns Nelson Treehouse?** For Pete Nelson, owner of Nelson Treehouse and Supply, a treehouse isn't just a right of passage, but a place to relax and even work and live. There aren't many people who can claim that they get to build treehouses for a living.

**Where does the treehouse master live?** Until 2018, Nelson hosted Animal Planet's television series, Treehouse Masters. He lives with his wife, Judy, in Fall City, Washington and has three adult children, all of whom work in the family treehouse-building business.

**Did Matthew McConaughey really build a treehouse?** Matthew McConaughey Built a 13-Story Treehouse That Changed His Life (Extended) Matthew McConaughey talks about going mudding in his truck when he was in high school, getting personal in his book Greenlights and his children's book Just Because.

**How long can a treehouse last?** Most treehouses will last 10-20 years if properly built and maintained, but there is no way to guarantee how long a treehouse will last. The tree's condition is one of the essential factors in determining how long your treehouse will last. If the tree is healthy, you should get more than ten years out of it.

**Does Treehouse TV still exist?** On November 1, 1997, Treehouse TV launched as its own channel, airing from 6 a.m. to 3 a.m. daily. The channel, as of 2003, is currently a 24-hour broadcaster. Like the block it was spun off from, commercials weren't broadcast when the Treehouse channel first launched.
