Is 6.0 bad in IELTS? A score of 6.0 is not necessarily a bad score, but it is not an outstanding one either. One of the most important things to understand about the IELTS is that it is not a pass/fail test, but a test that measures your abilities across different aspects of the language.

Has anyone scored 9 in IELTS? Yes, getting an IELTS band score of 9 in the actual exam is very much possible. This is possible if you have met the expectations of the IELTS examiner and showcased the qualities of a competent user of the English language.

How rare is 8 in IELTS? Be wise about how you spend your time studying for IELTS, and be willing to invest in your future. Don't just take the test multiple times and hope your score improves. For those taking General Training to immigrate, 18% got 6, 16% got 7, and 7.5% got 8.

What is 27 out of 40 in IELTS listening?

Is 4.5 a good score in IELTS? An IELTS band 4.5 is between an IELTS band 4 and a band 5. At an IELTS band 4, you have a very basic understanding of English and you are more comfortable communicating in familiar situations. It is difficult to use complex language. Then, at an IELTS band 5, you have a limited command of the language.

Is 7.5 IELTS fluent? If you are aiming for a 7.5 IELTS score, you will need to have a good level of English proficiency. You should be able to understand complex ideas and express yourself fluently in both spoken and written English. You should also be able to use a variety of English grammar structures and vocabulary.

Is 7.4 IELTS good? The usual IELTS score is about 6.5-8. IELTS band scores are calculated by averaging the results from the four sections: writing, speaking, listening, and reading. The weight of each section's score is equal. The average score is used to evaluate students' English language skills and knowledge.

Is IELTS easier than Cambridge? Despite their differences, one test is no more difficult than the other. You may find the Cambridge tests more interesting than the IELTS, which is a bit more academic, but it doesn't mean that one is easier than the other.

Is 7.0 IELTS bad? To be admitted to many English language universities, IELTS 7 is usually enough. For pay scales in international companies, a Band 7 might bring you top salary offers. So, if you're immigrating, studying, or working and you need a seven, it's quite helpful to know what this actually means.

Is IELTS 8.0 fluent? Superior English - person has a score of 8 or more in IELTS in each of the four test components. Proficient English - person has a score of 7 or more in IELTS in each of the four test components. Competent English - person has a score of 6 or more in IELTS in each of the four test components.
