What is the theme of the Matched by Ally Condie? Ally Condie's novel Matched centers around the themes of social control, free will, resistance, and death. Let's look at each of these in more detail. The Society controls everything in the world in which protagonist Cassia Reyes lives. The Society chooses a person's spouse, job, food, clothing, and even time of death.

What reading level is Matched by Ally Condie?

What age is Matched by Ally Condie for? I would recommend this for 12 plus because it is a brilliant book but deals with complex and mature themes that younger readers may struggle with.

What is the resolution of Matched by Ally Condie? Resolution. Her family doesn't remember what happened to Ky, all they know is that he and his family are now gone, they also know Cassia is in love with Ky and as a gift, they offer to help her.

What is the lesson of Matched? One of the main themes of Matched is the idea that the desire for free will is both powerful and inevitable. It is through Cassia that the idea manifests most effectively. The more the Society tries to control her, the deeper her drive for freedom becomes.

What is a brief summary of Matched by Ally Condie? Matched by Ally Condie is a captivating dystopian novel that follows the story of Cassia, who lives in a society where everything, including marriage, is decided by the government. When a glitch in the system reveals an alternative match, Cassia must choose between following the rules or following her heart.

What genre does Ally Condie write?

Why did Ally Condie write Matched? Condie was inspired to write the novel after chaperoning a high school dance and considering what would happen if the government devised a perfect algorithm for matching people into romantic pairs. After its release, the book received largely positive reviews and reached The New York Times bestseller list in 2010.

Does Matched have romance? This series; Matched, Crossed, and Reached, is a good dystopian romance. It has some twists and is pretty interesting, but does lack character and story depth.

Do KY and Cassia kiss in Matched? Ky is one of Cassia's Matches, which is accidental. His face showed up on the screen for a fraction of a second after Xander's. He joins hiking just like Cassia and they soon developed feelings for each other. They kiss on The Hill twice, once on the cheek and one time on the lips.

How many kids does Ally Condie have? Ally Condie is a former high school English teacher who lives with her husband, three sons and one daughter outside of Salt Lake City, Utah.

Why is match rated R? -Match is rated-R for some language, although not heavy, and an R amount of sexual dialogue. By R standards it is not that bad though. - Match is well acted, compelling, and has a well written story, but lacks in being anything more because of its runtime and lack of anything but the story.

What does Ky look like in Matched? Ky Markham is Cassia's primary love interest and unofficial Match. Cassia describes him as "strong and beautiful" (206) with black hair, long lashes, hardy hands, and a musical voice. To Cassia, his dark blue eyes seem to change color and have greater depth than other people's.

Will the matched series become a movie? Chu is in negotiations to direct the film adaptation of Ally Condie's young-adult novel "Matched". The action is set in a future society where people are told what to read, what to watch, what to believe and who to love. The story centers on a young woman who rejects an arranged romance and chooses her own path.

What is the setting of the Matched by Ally Condie? Setting. Condie's Matched trilogy takes place in a futuristic, dystopian world in the present-day United States,
