**What is the main message of the story Because of Winn-Dixie?** The theme of Because of Winn-Dixie is acceptance and perception. Opal finally came to the realization, with the help of her Daddy and new friends, that she has a wonderful life full of people that love her.

**Is "Because of Winn Dixie" based on a true story?** It is a novel and is fiction. The story in the book was completely imagined by its author, Kate DiCamillo. While 'Winn-Dixie' is the name of an actual chain of grocery stores in the South and Florida is a real place, the main characters in the story did not exist and all the events never actually happened.

**What inspired Kate DiCamillo to write *Because of Winn-Dixie*?** I wrote *Because of Winn-Dixie* because I was homesick for Florida (I live in Minneapolis) and because I wanted a dog and couldn't have one (I lived in an apartment building that didn't permit them). It allowed me to go home and to spend time with a dog of the highest order.

**What swear words are in *Because of Winn-Dixie*?** One use of the word "retarded". One use of "I'll be damned" and multiples uses of stupid and idiot. An older woman says that "war is hell. Pure hell." and a young girl tells her that hell is a cuss word.

**What was the problem in *Because of Winn-Dixie*?** The conflict in *Because of Winn-Dixie* is between Opal's underlying sadness and anger about her mother's death, and the difficulty of sharing those feelings. While *Winn-Dixie* is helping Opal to come to terms with her own issues, the two of them also bring joy and connection to several town residents.

**Why is it called *Because of Winn-Dixie*?** *Winn-Dixie* is named after the supermarket where Opal found him. So, the brand name is used throughout the book, but it's almost exclusively in reference to the dog, not the store.

**What grade level is *Winn-Dixie*?** This book's Lexile measure is 660L and is frequently taught in the 4th and 5th grade. Students in these grades should be reading texts that have reading demand of 740L through 1010L to be college and career ready by the end of Grade 12.

A bear appears briefly in flashback, threatening, but ultimately harmless. *Winn-Dixie* is very afraid of thunderstorms; his response frightens Opal.

**Is *Because of Winn-Dixie* sad book?** This book was really emotional because it made you think where *Winn - Dixie* was when she got lost. This book was also really emotional when *Winn - Dixie* caught the mouse without killing it. *Winn - Dixie* did not kill the mouse, but let it go instead. This book was also really sad because Opal has

no mom.

**How old was the girl in Winn-Dixie?** Ten-year-old India Opal Buloni has just moved to the fictional small town of Naomi, Florida with her father who is a preacher. While at Winn-Dixie, Opal encounters a scruffy Berger Picard that is wreaking havoc.

A sweet story of a lonely little girl and the shaggy stray dog who teaches her how to make friends and bring happiness to others, “Because of Winn-Dixie” includes more real sadness and religious content than many mainstream films geared to children.
