in the Selection.

Is there a romance in the Selection? The romance between America and Aspen is more believable. America must decide which of the two boys really has her best interest at heart, and it's a tough decision.

Is it necessary to read the novellas in The Selection Series? Reading the novellas will give you a more comprehensive view of the characters' backgrounds, motivations, and relationships. They provide additional layers to the overarching story and offer a chance to delve deeper into the world of The Lunar Chronicles.

America goes to talk to Aspen, and Maxon realizes that Aspen was America's first love. Hurt by America's betrayal, Maxon tells her that he can't marry her and orders Aspen to leave.

Is there kissing in the Selection? As a palace guard, Aspen sneaks into America's room at night, gets into her bed and the pair kiss passionately. He visits her during the day and sits on her bed, and the two kiss. After the second attack, Maxon comes to America's room. They talk, and the two kiss.

Does the Selection end on a cliffhanger? I tend to linger — but in this case, I just flipped and flipped and flipped and flipped, and before I knew it, I was through.
