

BULATS C2 LEVEL VOCABULARY LIST

[Download Complete File](#)

What is C2 level English vocabulary? A C2 level of English is essentially a native level. It allows for reading and writing of any type on any subject, nuanced expression of emotions and opinions, and active participation in any academic or professional setting.

What level is BULATS?

Are native speakers C2? In summary, C2 level is considered the highest level of proficiency in the CEFR framework, and it's considered as a near-native speaker level of proficiency, but not equivalent to the proficiency of a native speaker.

Does C2 mean fluent? SKILLS AT LEVEL C2 He/she can summarise information and arguments from different spoken and written sources, and present them coherently and concisely. He/she can express him/herself spontaneously, very fluently and precisely, differentiating finer shades of meaning even in more complex situations.

Is BULATS still valid? BULATS was officially retired on 6 December 2019.

What is the difference between BEC and BULATS? One of the primary differences between these two assessments is that BULATS is designed to enable employers to gauge the level of business language of employees and/or potential employees. BEC, on the other hand, meets the needs of individuals seeking to gain a qualification.

What is the full form of BULATS? BULATS stands for the Business Language Testing Service.

What is level C2 English equivalent? English test C2 (Proficiency) Similar to Cambridge English Proficiency (CPE), BULATS score 90-100, CLB/CELP 10-12, CAEL 80-90, IELTS exam 8-9.

Is C2 a good level of English? It is our highest-level qualification – proof that you are a highly competent speaker of English. A C2 Proficiency qualification shows the world that you have mastered English to an exceptional level. It proves you can communicate with the fluency and sophistication of a highly competent English speaker.

How many words are in C2 level English? Language Levels: CEFR In the minds of many, this is a good measure of fluency. Someone holding C2 level would have an active vocabulary of 10,000 and a passive vocabulary of around 20,000. That's in line with what information shows is the average for a native speaker to know.

Am I C1 or C2 English?

Unlock the Secrets of Question-Based Selling with Thomas Freese's eBook

In the realm of sales, effective communication is paramount. Thomas Freese's eBook, "The Secrets of Question-Based Selling," provides an invaluable guide to mastering the art of asking insightful questions that uncover customer needs and drive conversions.

Q: Why is question-based selling important? A: Questions empower salespeople to gain a deep understanding of customer pain points, desires, and buying criteria. By asking open-ended questions, they can probe into customer motivations and build rapport, establishing a solid foundation for successful sales interactions.

Q: How do I ask effective questions? A: Freese emphasizes the importance of crafting questions that are specific, probing, and relevant. Avoid leading or yes/no questions that stifle open discussion. Instead, use open-ended questions that begin with words like "what," "how," "why," and "could you elaborate."

Q: What are the different types of questions? **A:** Freese categorizes questions into three main types: open-ended, closed-ended, and probing. Open-ended questions elicit detailed responses, while closed-ended questions prompt specific answers. Probing questions delve deeper into customer responses, seeking clarification and additional insights.

Q: How do I handle objections using questions? **A:** Objections are a natural part of the sales process. Freese suggests using questions to address objections proactively and demonstrate empathy. By asking probing questions about the customer's concerns, salespeople can understand their reservations and tailor their responses accordingly.

Q: How do I close the sale using questions? **A:** Questions also play a vital role in the sales closing process. Freese recommends asking confirmation questions to ensure that the customer has fully understood the solution and is satisfied. By asking probing questions about next steps, salespeople can confidently move the conversation towards a successful conclusion.
