Debate Prompts for Kids: Fueling Critical Thinking and Communication

Debate plays a crucial role in fostering critical thinking, persuasive writing, and effective speaking in children. To facilitate these skills, we present 50 thoughtfully curated debate prompts that come with reproducible debate sheets featuring background information and pro-con points.

Benefits of Debate for Kids:

- **Enhances Critical Thinking:** Debate encourages children to analyze arguments, identify biases, and form evidence-based opinions.
- **Develops Persuasive Writing:** Students must craft well-reasoned arguments that effectively convey their stance.
- **Strengthens Speaking Skills:** Debate provides a platform for children to express their ideas confidently and coherently.
- **Promotes Respectful Communication:** Debate teaches children the art of disagreeing respectfully and considering alternative perspectives.
- **Prepares for Future Success:** Debate skills are essential in various fields, from law to politics to business.

How to Use the Debate Sheets:

1. **Read the Background Information:** Provide students with the background information for each debate topic.

2. **Explore Pro and Con Points:** Discuss the main arguments for and against each side of the debate.
3. **Form a Stance:** Students choose a side and write down their reasons for supporting it.
4. **Develop Arguments:** Guide students in developing their arguments, using evidence and logical reasoning.
5. **Rehearse and Present:** Have students practice their speeches before presenting them in a classroom debate.

50 Debate Prompts with Answer:

1. Should Schools Start Later in the Morning?

- **Pro:** More sleep for students, improved academic performance
- **Con:** Transportation challenges, conflicts with extracurricular activities

2. Should Children Be Allowed to Use Cell Phones in School?

- **Pro:** Educational benefits, parental communication
- **Con:** Distractions, cyberbullying, reduced face-to-face interaction

3. Should Junk Food Be Banned from Schools?

- **Pro:** Healthier eating habits, reduced obesity rates
- **Con:** Freedom of choice, potential backlash from students

4. Should Schools Have Dress Codes?

- **Pro:** Reduced distractions, increased school pride
- **Con:** Restriction of personal expression, potential discrimination

5. Should Students Be Required to Participate in Phys Ed?

- **Pro:** Physical fitness, improved health, reduced obesity
- **Con:** Lack of interest, medical limitations, potential injuries
