**What is the 1 minute monologue from Legally Blonde?** 1 Min. ELLE: On our very first day at Harvard a very wise professor quoted Aristotle, "The law is reason free from passion." Well, no offense to Aristotle, but in my three years at Harvard I have come to find that passion is a key ingredient to the study and practice of law and of life.

**What monologues to avoid for auditions?** Avoid Shock Monologues Unfortunately, using hot political topics of the day, religious material or iffy sexual subjects can make casting feel uncomfortable or even offended. When making a first impression, it's best to avoid pushing people's buttons.

**What is a good monologue to use for an audition?** A monologue should show who you are, not add layers of dialects, character traits, a limp, or something outrageous to impress. If they can't tell you're acting, that's good acting. Choose one that is serio-comedic, not just comedic or dramatic.

**How old was Roy in Fun Home?** Characters Alison - 43 years old, a cartoonist Medium Alison - 19 years old, a college freshman Small Alison - around 8 years old Bruce Bechdel - Alison's father Helen Bechdel - Alison's mother Christian Bechdel - Alison's brother, around 10 years old John Bechdel - Alison's brother, around 6 years old Page 3 Roy, a ...

**What's the best monologue ever?**

**What is the most famous line from Legally Blonde?**

**What are 3 qualities of a successful monologue?** The monologue must have a strong point of view, and climax, and it must have a strong impact on the story and/or

character. The idea of a great monologue is to convey important details via a speech delivered by a single character.

**What do casting directors look for in a monologue?** The best monologues involve a character in the process of discovery, realization, and change because it is active (and it helps you from going to a general emotional place). I want to see your character think and be surprised. And humor never goes unappreciated.

**Do you have to memorize a monologue for an audition?** Auditions for a play require a solo acting scene, or monologue. Generally, these are scenes that are about 45 seconds to 2 minutes long (can be longer) that allow an auditionee to show the directors their ability to play a character, have poise on stage, and memorize/prepare the scene.

**How to ace your audition?**

**How to pick the perfect monologue?**

**How do you nail a monologue audition?**

**What is the message of Fun Home?** It's the story of her growing up, her coming of age. More specifically, Fun Home is the story of Alison's coming of age while grappling with her lesbian gender identity and the way that identity differs from the expectations imposed on her by society.

**Is Fun Home going to be a movie?** Jake Gyllenhaal is to produce and star in a film adaptation of the musical 'Fun Home'.

**How old is Alison Bechdel in Fun Home?** ALISON – Alison Bechdel in her early 40s. The narrator of this story. Now a self-aware adult, she is able to reflect insightfully on her own life and her relationship with her father before his tragic death. Must be a strong singer who can move seamlessly in vocal quality from speech to song.

**Is a 2 minute monologue too long?** Make sure you have a one minute cut If you are auditioning for theatre, we would suggest having a 2-minute cut, a 90-second cut, and especially a 1-minute cut of your monologue. In the world of film and TV, it's best to have a shorter 1-minute monologue.

**Who is the king of monologues?** The King Of Monologue, Kartik Aaryan is back with yet another monologue, this time for all the students out there???

**What are the 3 types of monologue?**

**Who is the preppy girl in Legally Blonde?** It's an iconic accessory named after the ultimate Hitchcock blonde Grace Kelly. During the "Bend and Snap" scene, she wears an Hermès Leather bracelet—known as Collier de Chien. The one other major jewel in the movie is worn by Selma Blair who plays the "preppy girl," Vivian Kensington, who steals Elle's man.

**Who was first choice for Legally Blonde?** Few film performances are more instantly recognizable than Reese Witherspoon as Elle Woods in "Legally Blonde." But before Witherspoon accepted the role, Christina Applegate turned it down, in large part because she had just finished playing a similar part on the sitcom "Married... with Children," and didn't want to box ...

**Is Legally Blonde actually feminist?** In the movie that made her an icon, Elle endeavors to retain her femininity and prove her smarts. The film was produced in the ideological context of postfeminism, which gave way to a redefinition of femininity; girls and women could now be—and should be—both sexy and strong, pretty and successful.

**Do you look at the camera when doing a monologue?** If it's from a film or TV script, you would only look into the lens if it was indicated. If your monologue is from a play but you are auditioning for film or television, adjust your approach.

**How to end a monologue?** At the end of the monologue, leave your audience with something to think about. Most dramatic monologues are self-contained speeches, so it's worth spending some time coming up with an ending that feels conclusive but also leaves your audience wanting to know more about your character and story.

**How to memorize monologues?**

**How do you ace a monologue audition?**

**How to find a monologue that suits you?**

**Should you audition with a monologue from the play?** Don't Write Your Own Monologue An audition is not the time to use a self-written monologue. Your writing skills may be top notch, but unless the audition calls for an original piece, it is usually in your best interest to do a monologue from an existing play.

**What is the logline for Legally Blonde?** Elle Woods, a fashionable sorority queen, is dumped by her boyfriend. She decides to follow him to law school. While she is there, she figures out that there is more to her than just looks.

**What's the longest monologue?** In *L'Aigle à deux têtes* (The Eagle has Two Heads) (Fr 1948) written and directed by Jean Cocteau (France, 1889 - 1963) 20 minute speech was made by the character Natasha played by Edwige Fenech (France, 1907 - 1998).

**What does a woman prefer more than anything else in a monologue?** I care more to be loved, I want to be loved. I just feel like women, they have minds and they have souls as well as just hearts. And they've got ambition and talent as well as just beauty, and I'm so sick of people saying love is all a woman is fit for.

**What is Elle Woods' graduation speech about?** It is with passion, courage of conviction, and strong sense of self that we take our next steps into the world, remembering that first impressions are not always correct. You must always have faith in people. And most importantly, you must always have faith in yourself. Congratulations class of 2004 -- we did it!

**Why is Legally Blonde controversial?** "Legally Blonde," released 20 years ago in July, holds up well in regards to its feminist themes. But like many films of that time, it falls short on diverse representation. The beloved movie's only characters of color are either underdeveloped or straight-up offensive.

**Is Legally Blonde 2 inappropriate?** While there is nothing scary or violent in this movie, due to its content it is not recommended for children under 8. Children 8-13 should be okay to see this movie with some parental guidance. Children over 13 should be okay with or without parental guidance depending on parents' interpretation of the content.

**How does Reese Witherspoon feel about Legally Blonde?** Legally Blonde is probably the first overtly commercial movie I've ever made, but I still feel there's enough there in the role to validate that choice. There's a sly silliness to the story that you fall in love with.

**Who is the king of monologues?** The King Of Monologue, Kartik Aaryan is back with yet another monologue, this time for all the students out there???

**Can a monologue be a voice over?** Voice over monologues are often used in fiction films, although they remain a controversial tool. Many critics suggest that voice over monologues in film lessen the screenplay and, consequently, the film.

**What is the greatest soliloquy of all time?** In fact, Hamlet's "To be or not to be" speech is the best-known soliloquy in the world.

**What are 3 qualities of a successful monologue?** The monologue must have a strong point of view, and climax, and it must have a strong impact on the story and/or character. The idea of a great monologue is to convey important details via a speech delivered by a single character.

**What is the best monologue for an audition female?**

**Can a female do a male monologue?** Some monologues are comedic while others are dramatic, some are geared toward older performers, and most can be performed by any gender of actor.

**What was Elle Woods GPA?** In the film, Legally Blonde, Woods is a sorority sister living at the Delta Nu House at the fictional California University Los Angeles (CULA) (USC in the novel, UCLA in the musical) where she studies in Fashion Merchandising and maintains a 4.0 GPA.

**Why does Elle Woods wear a wig?** All of Elle Woods' (Reese Witherspoon's) hair and hairstyles throughout this movie were top-grade wigs due to Witherspoon's shorter hair for Sweet Home Alabama (2002). The one million dog march was Reese Witherspoon's idea.

**How do you describe a Legally Blonde?** Legally Blonde is a 2001 movie where a young college graduate, Elle Woods, follows her ex-boyfriend to Law School in order to win him back. Elle sets out to prove herself as a serious academic, but quickly realizes that earning her J.D. will be harder than she anticipated.

**What is No-No Boy by John Okada about?** No-No Boy is a 1957 novel, and the only novel published by the Japanese American writer John Okada. It tells the story of a Japanese-American in the aftermath of the internment of Japanese Americans during World War II.

**What is the theme of No-No Boy?** The main themes in No-No Boy are loyalty, generational conflict, and identity.

**What is the historical context of the No-No Boy?** In 1956, Nisei writer John Okada wrote No-No Boy, a novel that explored the predicament of a Japanese American World War II conscientious objector, having served time in prison for refusing to serve in the military, who returns home only to face the consequences of his decision.

**What is the history of the no-no boys?** the colloquial term for detained Japanese Americans who answered “no” to questions 27 and 28 on the so-called “loyalty questionnaire” during World War II.

**What questions did the No-No Boys say no to?** A man who was drafted by the United States Army and answered “no” to two questions regarding his loyalty to the U.S. in a document known as the “loyalty questionnaire.” These questions were Question 27, which asked, “Are you willing to serve in the armed forces of the United States on combat duty, wherever ordered?” ...

**What happened at the end of no-no boy?** Ichiro comforts him before walking towards the car crash. Ichiro sees that Freddie believed he had no future, and by ending his life will no longer experience the shame or anxiety that came from his status as a no-no boy.

**What are two major themes found in about a boy?** In About a Boy the themes of isolation, adulthood and depression are explored.

**Who is the narrator of No No Boy?** The events of No-No Boy are described by a third-person omniscient narrator. Although the narrator describes the views of other characters, his voice is most closely aligned with the thoughts and feelings of the story's main character, Ichiro Yamada.

**What is the story of the boy who said no?** The Boy Who Said No is a novelised version of the true story of a young man's escape from Cuba to the USA .

**Who is Freddie in No No Boy?** One of Ichiro's friends from before the war, and a fellow no-no boy. After being released from prison, Freddie is unable to readjust to society, instead just gambling, drinking, and having sex with his neighbor, 2-A. He picks fights and lives in constant fear of retaliation.

**Who is Emi in No No Boy?** A twenty-seven-year-old Japanese-American woman who lives by herself on a farm outside of Seattle. Emi and Kenji are close friends, and Kenji introduces Emi to Ichiro, with whom she begins an affair.

**What is the summary of the boy who said no?** The film highlights the prosecution and trials of war resisters. Documentary and news footage capture anti-war demonstrations and marches, anti-draft meetings, and men, young and old, speaking out in support of the resistance movement.

**Why did some Japanese Americans renounce their citizenship?** [M]y renunciation had been an expression of momentary emotional defiance in reaction to years of persecution suffered by myself and other Japanese Americans and, in particular, to the degrading interrogation by the FBI agent at Topaz and being terrorized by the guards and gangs at Tule Lake.

**Why were questions 27 and 28 on the loyalty questionnaires controversial to the Japanese American internees?** Question #27 specified “combat duty.” Consequently, many believed that responding “yes-yes” to questions #27 and #28 amounted to volunteering immediately for military service. Many people were worried about the consequences of answering “yes” or “no” to questions #27 and #28, and requested clarifications.

**How did the trauma of the camps affect the Japanese for years after release?**  
The bottom line The Japanese American imprisonment was a grave injustice that led

to significant and long-lasting health consequences, including post-traumatic stress, cardiovascular disease, and premature death. This event should never have happened.

**What does the term no no boy colloquially refer to?** The story follows Ichiro Yamada, a No-No boy. The real-life colloquial term describes Japanese Americans who answered no twice on a questionnaire asking participants to serve and swear loyalty to the U.S. during World War II. Those who refused, like the fictional Yamada, were sent to concentration camps.

**How were the Japanese treated after Pearl Harbor?** Following the Pearl Harbor attack, however, a wave of anti-Japanese suspicion and fear led the Roosevelt administration to adopt a drastic policy toward these residents, alien and citizen alike. Virtually all Japanese Americans were forced to leave their homes and property and live in camps for most of the war.

**How many No No Boys were there?** In the winter of 1943, the War Relocation Authority launched their loyalty questionnaire in an attempt to segregate the "loyal" and the "disloyal." Though the vast majority eventually answered the key loyalty questions affirmatively, a significant minority either refused to answer, gave qualified answers, or answered ...

**Who is Bull in No No Boy?** Bull is an angry Japanese American war veteran who resents the no-no boys. Mr. Carrick is a sympathetic man and an engineer in Portland who offers Ichiro a job as a draftsman. Jim Eng is the Chinese bartender at the Club Oriental, a bar popular with Japanese Americans.

**Who is Ichiro's mother in no no boy?** Mrs. Yamada is Ichiro and Taro's mother, and Mr. Yamada's wife. Although she has lived in the United States for over three decades, she still loves Japan, and has no affinity for or loyalty to her adopted home.

**What is the plot of a boy no more?** Summary: After his father is killed in the attack on Pearl Harbor, Adam, his mother, and sister are evacuated from Hawaii to California, where he must deal with his feelings about the war, Japanese internment camps, his father, and his own identity.

**What is the summary of the boy who said no?** The film highlights the prosecution and trials of war resisters. Documentary and news footage capture anti-war demonstrations and marches, anti-draft meetings, and men, young and old, speaking out in support of the resistance movement.

**What is the book boy nobody about?** Boy Nobody is a teenage assassin employed by a government organisation, The Program. He turns up somewhere, blends in, kills his target and moves on to the next assignment. His mission is everything: he feels no emotion and doesn't question his actions.

**Who is Emi in No No Boy?** A twenty-seven-year-old Japanese-American woman who lives by herself on a farm outside of Seattle. Emi and Kenji are close friends, and Kenji introduces Emi to Ichiro, with whom she begins an affair.

**What is the book The Boys Club about?** Book overview Accepting a dream offer at the prestigious Manhattan law firm of Klasko & Fitch, she promises her sweet and supportive longtime boyfriend that the job won't change her. Yet Alex is seduced by the firm's money and energy . . . and by her cocksure male colleagues, who quickly take notice of the new girl.

## **Solucionario: Principios de Economía, 6ta Edición por Gregory Mankiw**

### **Capítulo 1**

**Pregunta:** Explique el concepto de escasez y cómo se relaciona con las elecciones económicas.

**Respuesta:** La escasez es la brecha entre los recursos limitados y los deseos ilimitados de las personas. Obliga a los individuos y las sociedades a tomar decisiones sobre cómo utilizar sus recursos escasos de manera más eficiente. Las elecciones económicas surgen porque debemos priorizar y elegir entre opciones alternativas debido a la escasez.

### **Capítulo 2**

**Pregunta:** Describa la relación entre la oferta y la demanda.

**Respuesta:** La oferta es la cantidad de un bien o servicio que los productores están dispuestos a vender a un precio determinado. La demanda es la cantidad que los consumidores están dispuestos a comprar a un precio determinado. La interacción entre la oferta y la demanda determina el precio de equilibrio y la cantidad de equilibrio en un mercado.

### Capítulo 3

**Pregunta:** Explique cómo el mercado competitivo conduce a la eficiencia económica.

**Respuesta:** En un mercado competitivo, muchos compradores y vendedores interactúan, lo que resulta en una competencia intensa. Esto lleva a los precios a equilibrarse al nivel donde la cantidad ofrecida es igual a la cantidad demandada. Este equilibrio competitivo es eficiente porque asigna recursos a aquellos que más los valoran.

### Capítulo 4

**Pregunta:** ¿Cuáles son los beneficios y costos de la intervención gubernamental en la economía?

**Respuesta:** Beneficios: Mayor equidad, provisión de bienes públicos, corrección de fallas del mercado. Costos: Distorsiones de precios, ineficiencias, crecimiento económico más lento. El gobierno debe sopesar cuidadosamente estos beneficios y costos al decidir intervenir en un mercado.

### Capítulo 5

**Pregunta:** Discuta el papel de la política fiscal en el manejo de la economía.

**Respuesta:** La política fiscal utiliza los impuestos y el gasto gubernamental para influir en la actividad económica. El gobierno puede aumentar el gasto o reducir los impuestos para estimular la economía durante las recesiones. Alternativamente, puede reducir el gasto o aumentar los impuestos para reducir la inflación durante los períodos de auge económico.
