What was Gatsby's biggest problem? Gatsby's biggest weakness is his love for Daisy. He is determined to get Daisy back and he thinks that for him Daisy leaves her husband Tom. The story of his love for Daisy is one of the great love stories of American literature. He sees her with her as the result of his dream.

Why did Daisy marry Tom? She went out with more soldiers from Camp Taylor. Then she met Tom Buchanan and was flattered by him and his position. She was motivated to get married and Tom came from a similar and good background with money and position.
