What are the characteristics of palm-of-the-hand stories? PALM-OF-THE-HAND STORIES A prominent characteristic found in most stories of Kawabata's is
FOR KUKA KRC4 ROBOT DOCUMENTATION

ambiguity – the quality of being open to one or more interpretation. The stories often tell of understanding life, simplicity, and innocence.

What is Yasunari Kawabata known for? Yasunari Kawabata was born in Osaka in 1899. In 1968 he became the first Japanese writer to receive the Nobel Prize for Literature. One of Japan's most distinguished novelists, he published his first stories while he was still in high school, graduating from Tokyo Imperial University in 1924.

What happens in one arm Yasunari Kawabata? But what if one incorporates another's body? Japanese author Kawabata Yasunari, in his 'One Arm', describes a peculiar encounter with the other's body: the protagonist replaces his arm with a girl's arm and incorporates it, causing him some spasms, a sense of otherness, and affective as well as repulsive feelings.

What is the master of go by Yasunari Kawabata about? Plot. The story itself is a semi-fictionalized account of a lengthy 1938 Go game between the respected master Honinbo Sh?sai and the up-and-coming player Minoru Kitani (known as Otaké in the book). The match took almost six months to complete, and was the last of Sh?sai's career.

What is the significance of the palm of the hand? Throughout history, the open palm has been associated with truth, honesty, and openness. On the other hand, a palms down gesture suggests dominance, aggression, and authority. When you communicate, the position of your palms makes a difference.

What does the palm of your hand say about you? In palmistry, hands are considered to be the portals that provide valuable insight into a person's life. The dominant hand is believed to reveal how a person's traits and potential have been actualized in practice, while the non-dominant hand reflects a person's natural personality and character.

What does Kawabata mean in Japanese? Kawabata Surname Meaning Japanese: written ?? or ?? 'river bank'. One family is descended from the northern Fujiwara through the Saionji family; the other from the Sasaki family. The name is also found in Okinawa.

What is Kawabata's writing style? The style of Kawabata's stories have been described as "melancholy lyricism." His novels combine the beauty of old Japan with modernist trends, realism and formal austerity with surrealistic visions.

What is the meaning of Snow Country Yasunari Kawabata? This novel, like others Kawabata wrote, vividly depicts the psychic cost of aesthetic appreciation, as well as its effect on minds susceptible to beauty. The protagonist of the novel is often taken out of the real world and into the dream world of his own mind after witnessing beauty.

Did Yasunari Kawabata have children? In 1926 his first story was published and had considerable success but did not bring him much financial success. The following year, his wife had a baby who died soon after birth. They did not have any more children. His first book was published in 1927 and the couple moved to Tokyo.

What is the plot of Thousand Cranes by Yasunari Kawabata? One of Kawabata's finest works, Thousand Cranes was written in part as a sequel to Yukiguni (1948; Snow Country). This melancholy tale uses the classic tea ceremony as a background for the story of a young man's relationships to two women, his father's former mistress and her daughter.

What is the plot of the Izu Dancer? The story by Kawabata titled The Izu Dancer was about a young man who comes upon a traveling dance group and is attracted to one of the dancers. He began traveling with them for a short time but soon discovered that the dancer was actually a child.

Where is Yasunari Kawabata from? Kawabata Yasunari (born June 11, 1899, ?saka, Japan—died April 16, 1972, Zushi) was a Japanese novelist who won the Nobel Prize for Literature in 1968. His melancholic lyricism echoes an ancient Japanese literary tradition in the modern idiom.

What is the theme of The Jay by Yasunari Kawabata? The theme is important because without family, a person is alone. Yoshiko knows even though her family isn't together anymore, she still needs their support wherever they may be.

What is the theme of The Mole by Kawabata Yasunari? The mole comes to represent the way in which she is turned in on herself, unable to communicate, as

well as her husband's refusal to accept and love her and the failure of their marriage. Although physically harmless, the enigmatic mole is emotionally malignant in Sayoko's life.

What are some interesting facts about the palm of your hand? Unlike other areas of the body, your palm is hairless and can't be tanned. The palm has several important functions: Allows you to grip objects, with the fascia (layer of connective fibrous tissue) between the skin and metacarpals allowing the hand to grasp objects without sliding the skin out of position.

What does the eye in the palm of the hand mean? An eye in the hand's palm (or center) is likely to be connected to the symbol's use as an amulet of protection against the evil eye. The evil eye is a superstition that bad luck and misfortune can come from a malevolent glare, especially from people who are envious of one's successes.

What is the palm of the hand refers to? 1. : the underside of the hand between the fingers and the wrist. 2. : a measure of length based on the width or length of the palm. palm.

What is the biblical significance of the palm of the hand? In a beautiful metaphor God answers the repentant people of Jerusalem, who thought Yahweh had forgotten and forsaken them: "Behold, I have graven thee upon the palms of my hands" (Isaiah 49:16; see also Ecclesiasticus 18:3). Daniel is touched upon the palms of his hands to wake him from sleep (Daniel 10:10).

What does the palm represent spiritually? The palm branch, or palm frond, is a symbol of victory, triumph, peace, and eternal life originating in the ancient Near East and Mediterranean world. The palm (Phoenix) was sacred in Mesopotamian religions, and in ancient Egypt represented immortality.

Where is it rude to show the palm of your hand? In Iraqi and Assyrian culture, abruptly pushing the palm of the hand towards someone means they are worthy of shame and are dishonorable. In Pakistan, the showing of the palm to someone in a thrusting manner is also considered an insult.

Sources of "The Making of the West: Vol. 1 to 1740: Peoples and Cultures"

Paragraph 1:

- **Question:** What sources did the authors use to create the comprehensive history presented in "The Making of the West"?
- **Answer:** The authors relied on a diverse range of primary and secondary sources, including ancient texts, archaeological findings, literary works, government records, and contemporary accounts written by historians, travelers, and diplomats.

Paragraph 2:

- **Question:** How did the authors incorporate primary sources into their narrative?
- **Answer:** The authors carefully examined primary sources to glean insights into the perspectives and experiences of individuals living during the period covered by the book. They used these sources to reconstruct daily life, social structures, and cultural beliefs, providing a vivid and immersive historical narrative.

Paragraph 3:

- **Question:** What role did secondary sources play in shaping the book's content?
- **Answer:** Secondary sources provided the authors with a broader context for their research. They consulted scholarly books, academic journals, and established historical interpretations to support their own analysis and ensure the accuracy and objectivity of their work.

Paragraph 4:

- **Question:** How did the use of multiple sources enhance the overall quality of the book?
- **Answer:** By drawing upon a wide variety of sources, the authors were able to triangulate information and provide a balanced and nuanced account. The diverse perspectives presented in the book enrich the reader's

understanding of the past, encouraging critical thinking and fostering a deeper appreciation for historical complexity.

Paragraph 5:

- **Question:** What is the significance of the book's comprehensive bibliography?
- **Answer:** The extensive bibliography at the end of "The Making of the West" is an invaluable resource for researchers, students, and anyone seeking further information. It provides a guide to the primary and secondary sources consulted by the authors, enabling readers to explore the historical record in greater depth and draw their own interpretations.
