**Which readings must be read at the Easter Vigil?**

**What are the 5 main parts of the Easter Vigil?**

**What are the seven readings of Easter?**

**What is a Catholic Easter Vigil Mass?** The Easter Vigil Mass is held and is the first official celebration of Jesus Christ's Resurrection from the dead. This night's vigil is the greatest and most holy of all solemnities in the Catholic Church.

**Why are there seven readings in Easter Vigil?** The Easter Vigil readings attempt to capture our salvation history, from the beginning. We start with the Creation Story, and the Old Testament readings, continuing to the proclamation of the Resurrection from the Gospel, in the New Testament.

**What color to wear to an Easter Vigil?** On the evening of Holy Saturday (Easter vigil), or certainly come Easter Sunday, white or gold are used to celebrate the resurrection. The Easter color is used until Pentecost. On Pentecost, the seventh Sunday after Easter, red is used.

**What are 3 symbols from a Easter Vigil?** Holy Father explains symbols of the Easter Vigil: light, water and the 'Alleluia'

**Why is Easter Vigil Mass so late?** In following the Roman Missal directive that says that “the Easter Vigil must take place during the night, so that it begins after nightfall...” the bishops wanted to be sure that it was “dark enough” before each parish began its Easter Vigil liturgy.

**Why is Easter Vigil dark?** One reason for this may have been the widespread belief that the Second Coming of Christ would be a midnight but another and more relevant one was the early association of the weekly meeting of Christians with the celebration of the Death and Resurrection of the Lord.

**Why are there so many readings at the Easter Vigil?** The reason is, of course, that it is meant to be a Vigil service during which the community watches and waits for the celebration of the Resurrection. In the early Church, the readings would last all through the night together with the singing of psalms between them.

**How early can a Saturday vigil Mass be?** Pope Pius XII, in the apostolic constitution *Christus Dominus*, set the earliest hour for such a Mass at 4 p.m. Until the Church issues a new rule regarding when to officially define “evening” in canon 1248, 4 p.m. remains the earliest time a Mass is considered to fulfill the next day's obligation.

**What Scripture to read during Easter?** Luke 24:34: "The Lord is risen indeed!" 1 Corinthians 15:4: "He was buried, [and] he was raised on the third day according to the Scriptures." Acts 4:33: "With great power the apostles continued to testify to the resurrection of the Lord Jesus. And God's grace was so powerfully at work in them all."

**Why is it called vigil mass?** In Christian liturgy, a vigil is, in origin, a religious service held during the night leading to a Sunday or other feastday. The Latin term *vigilia*, from which the word is derived meant a watch night, not necessarily in a military context, and generally reckoned as a fourth part of the night from sunset to sunrise.

**What are the rules for Holy Saturday?** Holy Saturday is a day of waiting, prayer and fasting. Symbolically, Christians wait at the tomb in which Jesus was buried, meditating on his Passion and Death and anticipating resurrection. Mass is not celebrated on Holy Saturday. Candles remain extinguished and altars remain bare.

**What represents the light of the risen lord during the Easter Vigil?** We begin in the darkness outside our churches with a great fire, which is blessed, and from it the great Paschal Candle is lit. The fire symbols the light and glory of the Resurrection.

**Why are there so many readings at the Easter Vigil Mass?** The reason is, of course, that it is meant to be a Vigil service during which the community watches and waits for the celebration of the Resurrection. In the early Church, the readings would last all through the night together with the singing of psalms between them.

**What are the readings for Easter Sunday?**

**What prayers are said at Easter Vigil?** Prayer for Easter Vigil by Pope Benedict XVI “Lord, show us that love is stronger than hatred, that love is stronger than death. Descend into the darkness and the abyss of our modern age, and take by the hand those who await you. Bring them to the light! In my own dark nights, be with me to bring me forth!

**What time should Easter Vigil Mass start?** The Roman Missal states that “the entire celebration of the Easter Vigil must take place during the night, so that it begins after nightfall and ends before daybreak on Sunday.”
