## Download Complete File

**What cool things can a Google Home do?** You can ask your Google Assistant to ring or call your phone. Ask your Assistant to remember things — Get a little help from your Assistant to remember things. Broadcast voice messages to your speaker or display — Send a message to everyone in your home on all of your speakers or displays.

**What is the Google Easter secret?** Askew. Search for "askew" and the search engine will tilt the screen for you. This is one of the display Easter eggs that Google has. Everything else still works as it should and if you look for anything else the search results page will go back to normal.

**What words trigger Google Home?** Examples are: Hey Google, Hey Siri, or Alexa. Home Assistant supports its own wake words, such as Hey Nabu.

**What is the Google cheat code Easter egg?** The Konami Code is famous among gamers for letting you cheat in video games. The latest one they come up with lets you try it out on Google Docs. All you have to do is open up Google Docs, and type in with the following keys: up, up, down, down, left, right, left, right, B, A, and then enter!

**What is the coolest thing you can do on Google?**

**Can Google Home tell a bedtime story?** To hear a story say, "Hey Google, tell me a fairytale story," or, "OK Google, tell me a story." They can also listen to stories from Disney's Frozen II with the Frozen Stories action by saying, "Hey Google, tell me the Frozen story about the Northern Lights," or, "OK Google, tell me a Frozen story."

**What is Google dark secret?** "Dark Secrets" is an extension that lets you visualize what should stay hidden in HTML pages. Developers often leave comments in the code of pages, sometimes intentionally, other times by error.

**What is the Google Secret 42?** Adams says he picked the number simply as a joke, with no deeper meaning. Google also has a calculator easter egg when one searches "the answer to the ultimate question of life, the universe, and everything." Once typed (all in lowercase), the calculator answers with the number 42.

**What is the 42 on Google Easter eggs?** Searching for "the answer to the ultimate question of life the universe and everything" brings up the Google Calculator, presenting the answer "42." This is a reference to the Douglas Adams novel *The Hitchhiker's Guide to the Galaxy*, and has been around since the first Easter eggs were developed—even predating the ...

**What are Google Assistant tricks?**

**What happens when you say goodnight to Google Home?** Starter: Say "Hey Google, bedtime." Action: Assistant sets an alarm, turns off the lights, and plays sleep sounds.

**What can I say instead of OK Google?**

**What is a cool Google Easter egg?** If you search "askew", which is something that isn't level, the screen tilts just like the Leaning Tower of Pisa. Separately, if you search "recursion" Google asks "Did you mean: recursion?" This is exactly what you typed and an example of recursion itself! Some of the Easter Eggs are pretty witty.

**What is the google gravity trick code?** Type google gravity into the search bar and click I'm Feeling Lucky. The "I'm Feeling Lucky" button, which is just below the search field, takes you directly to the Gravity version of the Google search page.

**What does the Konami Code do to Google?** Reciting the code to Google Assistant will cause it to say either "Cheat mode enabled.", or "You destroyed the Vile Red Falcon and saved the universe. Consider yourself a hero" with a trophy emoji or a similar response.

**What is rare with Google?** Rare with Google is a platform that helps underrepresented creatives celebrate their difference.

**How to do Google magic tricks?**

**What is a cool Google trick?** A popular Google trick is "Do A Barrel Roll," which makes the search results page spin in a barrel roll motion.

**Can Google Home read me a story?** To access the Librivox library on Google Home, say, "OK, Google, talk to Book Reader," then say the name of the book you'd like to hear read to you.

**Is Google Home always listening to me?** If it's legal for Google to listen to you, then is it doing it all the time? To put it shortly, yes. Your phone is technically always listening. Google Assistant is always active so it can pick up the 'wake words' it's programmed to recognize and start carrying out voice commands.

**Can I drop in on my Google Home?** When you want to drop in on a single Google Home speaker, connect Google Meet to your Google Account. With Google Meet, you can use your smartphone to call any of your Google Home devices. When the device rings, someone must answer the call before you can talk through the device.

**What is the biggest secret of Google?**

**What is Google hidden content?** This means a page that has hidden content relevant to the query may be shown in the search engine results pages (SERPs) but that the snippet will not display that relevant content, which may discourage the user from clicking through.

**What is secret mode in Google?** Browsing in Incognito mode means your activity data isn't saved on your device, or to a Google Account you're not signed into. For example, you may use Incognito mode to shop online for a birthday gift for a family member who shares your device.

**What can Google smart home do?** The Google Home app is a single place to set up, manage, automate, and control thousands of compatible devices in your home<sup>3</sup>. Create custom Routines that can automatically turn on compatible lights, check the

weather, play the news, and more.

**What can I control with my Google Home?** You can control over 50,000 smart home devices like TVs, lights, appliances, plugs, thermostats, sensors, and more when you add them to the Google Home app.

**What fun things can you do with Hey Google?**

**Why did they discontinue Google Home?** It was the most expensive speaker on the market, going for \$400 compared to Apple's and Amazon's alternatives - \$300 and \$200 respectively. Alternatively (or additionally), they might have wanted to focus on other speakers such as Nest Audio and Nest Mini, which were way more affordable than the Home Max.

**What devices can I add to my Google Home?**

**What are the disadvantages of Google Home?**

**What does Google Home do with Netflix?** Use voice-activated controls to ask the Google Assistant to open Netflix and play TV shows or movies. Tap the Nest Hub touchscreen to choose from a selection of recommended titles and control playback.

**What's the best Google Home device?**

**Can Google Home turn on lights?** With Google Home and the right lights, you can control your home with just one voice command like, "Hey Google, turn on the living room lights." Under Home in the Google Assistant app, tap Rooms. Tap the pencil icon next to the light to assign the appropriate lights to their specific room.

**Can someone else connect to my Google Home?** You can invite home members who shares control of the home and its devices. For example, you can put your grouped living room speakers, office lights, and thermostat into a home and invite your family to be members of that home.

**How do I make Google cool things?**

**How to play mad libs on Google Home?** Simply say, "Hey Google, let's play Jeopardy!" Mad Libs – A virtual game of Mad Libs where you are asked to provide random words to fill in the blanks and create a funny story. There are 50+ free Mad

Libs stories to choose from and the kid-friendly interactions make this game is perfect for the whole family.

### **What is the most fun thing on Google?**
