**¿Qué es un parafraseo Parentetico?** El parafraseo también puede ser narrativo o parentético. Cuando en una cita se mencionan varios autores de diferentes obras, al incluirlos en dentro de un paréntesis, se deben ordenar los autores alfabéticamente de acuerdo al orden de aparición en la lista de referencias.

**¿Qué dice la teoría de la motivación según Daniel Pink?** Según Pink, los pilares de la motivación intrínseca son tres: la autonomía (el deseo de dirigirse a uno
