What is the summary of the poem the lynching? "The Lynching" uses the language of Christian faith to signal the ungodliness of the practice of lynching, drawing parallels between the victim and Jesus Christ on the cross: "His father ... / Had bidden him to his bosom once again." In the poem, however, the death of the innocent man does not redeem anyone.

The Perception Deception: Truth or Bollocks?

What is the Perception Deception?

The Perception Deception is a conspiracy theory proposed by David Icke, which claims that the world is secretly controlled by shapeshifting reptilian humanoids known as the Illuminati. Icke alleges that these reptilians have infiltrated all levels of society and are responsible for countless atrocities throughout history.

Is there any evidence to support this theory?

Despite Icke's claims, there is no scientific evidence to support the existence of shapeshifting reptilians. His theory is based on a misinterpretation of ancient texts, isolated incidents, and unsubstantiated rumors.

Why do people believe the Perception Deception?

There are several reasons why people may believe the Perception Deception. Some find comfort in the idea that there is a hidden order behind the chaos of the world. Others are drawn to the theory's allure of secret knowledge and the feeling of superiority it provides.

Is the Perception Deception harmful?

While the Perception Deception may not be inherently harmful, it can become so when it leads to discrimination or violence against individuals or groups. Icke's

rhetoric has been associated with anti-Semitic and anti-establishment movements, which can foster fear and division in society.

Conclusion

Ultimately, the Perception Deception is a conspiracy theory that is based on speculation and lacks credible evidence. While it may resonate with some people's desire for simple explanations, it is important to critically evaluate the claims and rely on reliable information sources.
