The Terror: Chaosium Inc. Q&A

What is The Terror?

The Terror is a horror board game published by Chaosium Inc. It is set in the Arctic during the 19th century and follows the crew of a Royal Navy expedition that becomes trapped in the ice. The game challenges players to survive the harsh conditions, navigate through treacherous terrain, and unravel the secrets of a forgotten civilization.

What is the gameplay like?

The Terror is a narrative-driven game with a focus on character development. Players assume the roles of members of the crew and make choices that influence the story and their survival. The game features a unique Dread system, where players pull from a Jenga tower to determine the outcome of their actions. This system creates tension and uncertainty, immersing players in the harrowing

atmosphere of the expedition.

What are the different roles and campaigns?

The Terror offers a variety of roles for players to choose from, each with their unique skills and abilities. The game includes four pre-written campaigns that offer diverse experiences. From the perilous journey of "The Lost Expedition" to the psychological horrors of "The Wendigo," each campaign provides a distinct storyline and setting.

What are the strengths and weaknesses of the game?

The Terror is praised for its immersive narrative, innovative Dread system, and exploration of Arctic exploration and horror. However, some critics find the gameplay slow-paced and dependent on luck. The game's length and complexity may also not appeal to all players.

Who is The Terror suitable for?

The Terror is recommended for experienced board gamers who enjoy narrative games with a horror theme. It is also suitable for fans of Arctic exploration and historical fiction. Players should be comfortable with role-playing and making difficult choices that impact the story.
