- Exam board websites (e.g., AQA, Edexcel, Cambridge)
- Websites like Save My Exams and Physics & Maths Tutor
- School or college resources

When should I start doing past papers A level?

- Ideally, start practicing past papers **several months** before the exam.
- Focus on completing a few papers as early as possible to gauge your understanding.

How many past papers should I do for as level?

- Aim for **at least 5-7 past papers** to cover different topics and question styles.

What is the difference between as and a level past papers?

- AS papers cover a narrower range of content and are less challenging.
- A-Level papers cover a broader curriculum and are more complex in difficulty.

Which is the hardest A level paper?

- The perceived difficulty varies depending on the subject and exam board.

Some commonly challenging papers include:

- Mathematics (Edexcel, paper 3)
- Physics (AQA, paper 5)
- Biology (Cambridge, paper 3)

Are AQA and Cambridge the same?

- No, **AQA and Cambridge are different exam boards**. They have their own unique syllabuses, past papers, and marking schemes.

How to get a in a level?

- **Start revision early** (at least 6 months before the exam).
- **Create a structured study plan.**
- **Attend all classes and take detailed notes.**
- **Practice past papers thoroughly.**
- **Seek help from teachers or tutors when needed.**

What is the 2/3,5/7 study method?

- A revision technique involving revisiting the material at increasing intervals:
 - 2 minutes after studying
 - 3 minutes later
 - 5 hours later
 - 7 days later

Is it too late to revise for A-levels?

- It's never too late to revise, but the earlier you start, the more time you'll have to absorb the material.

Does it matter if you do 3 or 4 A levels?

- **No, it doesn't matter for university applications.** Most universities offer places based on the grades you achieve in your chosen subjects, regardless of how many A-Levels you take.

How long should you study for A-level?

- **Aim for 5-7 hours of effective study** per subject, per week, in the lead-up to the exam.

How to score well in A-level?

- **Understand the exam structure and marking scheme.**
- **Practice past papers to familiarize yourself with question types.**
- **Break down revision into manageable chunks.**
- **Use active recall techniques** (e.g., flashcards, quizzes).

Is doing past papers a good way to revise?

- Yes, practicing past papers is **crucial for revision**. It allows you to:
 - Identify areas where you need improvement.
 - Familiarize yourself with the exam format.
 - Improve your time management skills.

Is A Level harder than AS level?

- Yes, **A-Level is generally considered more challenging than AS-Level**. It covers a broader range of content and questions are more complex.

How many A Level papers are there?

- The number of papers varies depending on the subject and exam board. Typically, there are **2-4 papers** for each subject.

Where can I find academic paper?
