Should I take AP Lit or AP Lang first? Generally, students take the AP Language course during their junior year and follow it up with the AP English Literature course in their senior year.

What percentage of students pass AP Lang? For the most recent exam cycle in 2023, the AP® English Language exam had a passing rate of 56.1% and a mean score of 2.82 (source).

Is AP Lang worth it? AP® English Language and Composition is a fantastic way to improve your skills in writing and analysis—not to mention give you college credit before you even set foot on campus.

Is a 3 a good AP Lang score? What is a good AP® English Language score? Scoring a 3, 4, or 5 on any AP® exam is generally considered good.

Is 5 a bad AP score? AP Exams are scored on a scale of 1 to 5. Many U.S. colleges grant credit and/or advanced placement (that means they let you skip the equivalent course once you get to college) for scores of 3 and above.

Can I take AP Lang as a senior? Students can also choose to take the course as a senior. However, many students decide to take AP English Language and Composition as juniors and then enroll in AP English Literature and Composition as seniors.

Is a 4 on AP good for Ivy? Getting a 4 on an AP exam is definitely an accomplishment. As far as reporting your score to Ivy League schools, each school may have a slightly different preference, but generally, a 4 is considered a 'well-qualified' score and should not necessarily hurt your chances.

Does AP Lang give college credit? When it comes to AP® English Language and Composition, you'll want to aim for a score of 3 or higher. Most colleges will give you

college credit if you score within that range. It varies from college to college though.

Should I retake an AP exam if I got a 4? They can be a nice extra feather in your cap, but schools care more about your overall performance in the class than your performance on one test. Instead of retaking the exam, focus on maintaining a rigorous course load and broadening your extracurricular profile.

Do colleges look at AP Lang? While your AP exam scores can give colleges some insight into your academic abilities, they typically don't play a significant role in the admissions process. Instead, they're often used for placement and to determine if you can earn college credit once you're admitted.

What makes AP Lang so hard? The need to adapt writing styles, analyze texts from various genres, and maintain a strong voice across assignments can be tough for some students.

Which is harder, lang or lit? A. The AP English tests are equally difficult, but for AP lit, you have to read many books and do deep learning for all of them. Therefore, it requires more time and patience. On the other hand, while AP lang needs less reading, the writing part is equal for both.
