**What is 10 questions game?** Description. 10 Questions is the perfect review game for the end of a unit or before a test. It can be adapted to any subject or grade level. Have students choose a person, place or thing from the unit of study and then have them create ten clues/facts about their topic.

**How to write Jeopardy answers?** As in the official Jeopardy game, contestants must give the response in the form of a question (ie: "Who is Albert Einstein?"). Teams are allowed to discuss responses prior to buzzing in, but all conversations must stop when someone buzzes in.

**What is a final Jeopardy question?** The third round, Final Jeopardy, consists of one question presented to all players or teams. The question category is revealed, and all teams or players who do not have a negative score must make a wager of at least zero, up to their entire score, based on their confidence in answering the question given the category.

**How to make Jeopardy clues?** JEOPARDY! co-head writer Billy Wisse offers the following advice in an article he contributed to Popular Mechanics a couple of years back, “a good JEOPARDY! clue has to elicit one of three reactions: 'I knew that,' or 'darn I should have known that,' or 'I didn't know that, but now I'm glad I do.' ”
