CRUCIBLE ACT 2 TYPES OF CONFLICT ANSWERS

Download Complete File

What are the conflicts in Act 2 of The Crucible? The central idea of Act 2 is the continuing accusations of witchcraft in Salem. Now, respectable women are being falsely charged because Abigail and the other girls are accusing so many others of practicing witchcraft. More and more people are being arrested and the witch hunts are widening.

What is the main conflict in Act 2 Scene 2? The main internal conflict present in the balcony scene is that Juliet struggles with the fact that she is a Capulet and the boy that she loves (Romeo) is a Montague.

What is Mary Warren's internal conflict in Act 2? Mary Warren's internal conflict-Mary Warren has a big internal conflict when it comes to exposing Abigail Williams as being a fake. She tells Abigail that they have to tell and that they'd only get a whipping because of it. But Abigail disagrees. Mary Warren is struggling with her self on whether or not to confess.

What is the conflict in The Crucible man vs himself? Man vs. Self: This conflict is portrayed in Proctor's difficult decision to publicly confess his infidelity with Abigail and ruin his reputation, as well as his decision to sign his confession. Proctor struggles with the decision to save his life or falsely confess.

What are the three conflicts in The Crucible? The first and foremost of these is his guilt over his adulterous affair with Abigail Williams, the second his hesitation to testify against Abigail to bring out the truth and the third, his final decision to make the ultimate sacrifice.

What is one conflict that drives the plot in Act Two of The Crucible? Abigail Williams and John Proctor This begins the conflict between the two, which has a significant effect on the plot.

What is the conflict in Act 2 Scene 4? The main conflict of this scene is Mercutio teasing Romeo about how happy and excited he is. Also Romeo has the Nurse deliver a message to Juliet about where to meet to be married. The scene takes place in a street in mid afternoon.

What is the climax of Act 2? So, you have a question created at the Break into Act 2. The Climax of the story, then, answers that question. That's where the audience knows whether the protagonist ultimately succeeded or failed and how everything shakes out. Remember, story structure is all about the effect you're trying to have on the audience.

What happens in Act 2 Scene 2 summarize? Act 2, Scene 2 Summary: Romeo stands below Juliet's balcony, marveling at her beauty. Not knowing he's there, Juliet speaks, wondering why Romeo must be a Montague, and she a Capulet. She thinks a name is simply a word, and it would be easy for Romeo to take a new name, and therefore not be forbidden to her.

What happened in Act 2 Scene 3 of The Crucible? Hale asks Proctor to testify in court that Abigail is a fraud. Hale then questions Elizabeth to find out if she believes in witches. Giles Corey and Francis Nurse arrive and tell Proctor, Hale, and Elizabeth that the court has arrested both Martha Corey and Rebecca Nurse for witchcraft.

What is Mary Warren's dilemma at the end of Act 2? Mary Warren is scared if she accuses Abigail, she'll be accused of witchcraft and hanged. She is later motivated by God to tell the truth, but she cannot go through with this. She turns against John and calls him the Devil's man. Her motivation of self-preservation is greater than her motivation to tell the truth.

What is external conflict in a story? Definition. External conflict is a struggle that occurs between a character and an external force, such as another character, society, nature, or a situation. Purpose. Plot Development: External conflicts drive

the plot forward by creating obstacles and challenges for the characters to overcome.

What type of conflict is man vs self? Man versus self refers to inner conflict, when a character's objective is in opposition to her values or long-held, deep-seated beliefs, or when her own decisions get in the way of achieving her goals.

What is Elizabeth's conflict in The Crucible? In The Crucible, Elizabeth is ensnared when she is forced to testify about her knowledge of John's affair with Abigail Williams. Elizabeth was aware of what had taken place, but she denies it in court out of her love for John and to save his good name, even though she had told Judge Danforth about it.

What is an internal conflict that Abigail Williams has in Acts 1 and 2 of The Crucible? Abigail Williams' internal conflict revolves around her obsession with John Proctor and her willingness to manipulate others to achieve her goals, showcasing her strength in manipulation but also her flaw of deceit. Externally, she faces societal judgment.

What is the conflict in Act 2 of The Crucible? Elizabeth Proctor being accused of witchcraft by Abigail. This is external since the conflict is between Elizabeth and Abigail over John Proctor.

What is the man vs self conflict in The Crucible? The primary Man vs. Self conflict is illustrated through John Proctor's internal struggle to save his reputation or challenge the corrupt court and put an end to the witch trials.

What is the climax in The Crucible? The play's climax comes when Proctor finally confesses the affair with Abigail, at last releasing the guilt of his sins and sacrificing his good name to save his wife. His sacrifice is in vain as Elizabeth, seeking to protect her husband's reputation, refuses to verify his story, and Mary accuses Proctor of witchcraft.

What is the conflict in The Crucible Act 3? The main conflict in Act 3 of The Crucible is that the court believes Abigail and the other girls above any of the other townspeople. The court is so invested in exposing the people involved in witchcraft that they are unwilling to see any fault in Abigail.

What conflict helps drive the plot in Act 2? What conflict helps drive the plot in Act Two? A struggle between John and Elizabeth Proctor.

Who is accused of witchcraft in Act 2 of The Crucible? Cheever spies the doll Mary Warren gave her. He finds a needle inside it. Cheever relates that Abigail had a fit at dinner in Parris's house that evening. Parris found a needle in her abdomen, and Abigail accused Elizabeth of witchcraft.

What is an external conflict that Abigail Williams has in Acts 1 and 2 of The Crucible? Abigail is in conflict with Elizabeth Proctor because she wants to steal her husband; she is also in conflict with Tituba because Tituba could tell the truth about what they did in the forest and against Marry Warren once Mary tries to tell the court the girls are lying.

What happened in Act 2 Scene 2 of The Crucible? Mary Warren states that Elizabeth was accused, but she defended Elizabeth and the court dismissed the accusation. Elizabeth tells Proctor that Abigail wants to get rid of her. Elizabeth believes that Abigail will accuse her of witchcraft and then have her executed.

What happened in Act 2 Scene 3 of The Crucible? Hale asks Proctor to testify in court that Abigail is a fraud. Hale then questions Elizabeth to find out if she believes in witches. Giles Corey and Francis Nurse arrive and tell Proctor, Hale, and Elizabeth that the court has arrested both Martha Corey and Rebecca Nurse for witchcraft.

What is the hysteria in The Crucible Act 2? Hysteria. Act II is when the full extent of the hysteria in Salem becomes apparent. Mary says that there are now not 14 but 39 people who have been thrown in jail on suspicion of witchcraft. The hysteria has been heightened by several confessions which seem to confirm the existence of an evil witchy plot.

Toyota Corolla Electrical Wiring Diagram: Troubleshooting Guide

The Toyota Corolla electrical wiring diagram is a crucial tool for understanding and troubleshooting electrical issues in this popular compact sedan. By tracing the wiring, you can identify damaged wires, locate fuses, and diagnose problems more efficiently. Here are some common questions and answers about the Toyota Corolla electrical wiring diagram:

1. Where can I find the electrical wiring diagram for my Toyota Corolla?

You can typically find the electrical wiring diagram in the owner's manual or within the vehicle's glove compartment. If not available, it can often be downloaded from the manufacturer's website or obtained from an automotive repair shop.

2. How do I read an electrical wiring diagram?

Electrical wiring diagrams symbolize electrical components and their connections using lines, symbols, and color codes. Each line represents a wire, and the symbols represent components such as fuses, relays, switches, and sensors. Color codes

CRUCIBLE ACT 2 TYPES OF CONFLICT ANSWERS

indicate wire function or circuit type.

3. What are some common problems that can be diagnosed using the electrical wiring diagram?

Common electrical problems that can be diagnosed using the wiring diagram include:

- Blown fuses
- Damaged wires
- Faulty relays
- Malfunctioning switches
- Wiring shorts

4. How can I troubleshoot a specific electrical problem using the wiring diagram?

To troubleshoot a specific problem, locate the wiring diagram for the affected component or system. Follow the wires from that component to identify connected devices and potential problem areas. Check for loose connections, damaged insulation, or corrosion.

5. What are some safety precautions to take when working with electrical diagrams?

Always disconnect the battery before working with electrical components. Wear gloves and safety glasses to protect yourself from electrical shocks or debris. Use proper tools and avoid touching exposed wires with bare hands. If you are not comfortable with electrical repairs, it is best to consult a qualified mechanic.

By understanding the electrical wiring diagram for your Toyota Corolla, you can diagnose and troubleshoot electrical problems with greater ease. Always approach electrical work with caution and seek professional assistance if necessary.
