The Six-Minute Fluency Routine**

The Six-Minute Fluency Routine is a daily, research-based intervention designed to improve reading fluency and comprehension in students from kindergarten to grade 5.

The Six P's of Fluency

The six P's of fluency refer to the core components that contribute to fluent reading:

- **P**acing: Reading at an appropriate speed

- **P**hrasing: Grouping words into meaningful units

- **P**ower: Reading with appropriate volume and intonation

- **P**recise articulation: Pronouncing words clearly and accurately

- **P**unctuation: Pausing and emphasizing punctuation marks

- **P**roper Expression: Reading with emotion and engagement

The Six D's of Solution Fluency

The Six D's of solution fluency describe the steps involved in solving problems effectively:

- **D**efine: Understand the problem and its key details

- **D**etermine: Identify the obstacles and challenges

- **D**evelop: Generate potential solutions

- **D**eliver: Implement the chosen solution

- **D**ebrief: Evaluate the solution and identify areas for improvement
- **D**isseminate: Share the solution with others

Key Features of the Six-Minute Fluency Routine

- **Grade Level:** K-5
- **Time:** Six minutes per day
- **Components:** Reading aloud, guided practice, feedback, and goal setting
- **Research-Based:** Supported by extensive research on fluency development

Additional Information

- The six-minute routine is not specific to any language or reading level.
- The 6Ds framework can be applied to any problem-solving context, not just in reading.
- FastBridge, DRA, and The Daily 5 are all research-based systems for assessing and improving reading skills.
- Duolingo English offers various levels of fluency depending on the user's progress.
- There is no minimum or maximum age requirement for kindergarten.
- Seven-year-olds are typically in the second grade.
- First graders should be able to recognize and write high-frequency words, identify sounds, and demonstrate basic comprehension skills.
