Seat Map Coach Layout for Indian Railways Reservation

What is a coach layout in Indian Railways?

Indian Railways operates a wide variety of coaches with different seating arrangements. Each coach has a specific seat map and layout to accommodate the number of passengers and the amenities provided. The seat maps help passengers

to identify their allocated seats and familiarize themselves with the coach layout.

How to view the coach layout during reservation?

During the online or offline reservation process, passengers can access the coach layout by clicking on the "View Coach Layout" option. The layout displays the arrangement of seats, berth numbers, and aisles in each coach. This allows passengers to choose their preferred seats based on their preferences and requirements.

What are the different types of coach layouts?

Indian Railways offers a range of coach layouts to cater to the diverse needs of passengers. Some common layouts include:

- **AC Chair Car (CC):** Provides comfortable reclining seats with AC and ample legroom.
- **AC 3 Tier (3A):** Features three tiers of sleeping berths with AC and curtains for privacy.
- **AC 2 Tier (2A):** Offers two tiers of sleeping berths with AC, wider seats, and foldable tables.
- **AC 1 Tier (1A):** Provides luxurious single-tier sleeping berths with AC, reading lights, and personal lockers.
- **Sleeper Class (SL):** Has three tiers of unreserved sleeping berths without AC.

How to choose the best seat?

When selecting a seat, passengers should consider factors such as:

- **Window seat:** Offers scenic views and privacy.
- **Aisle seat:** Provides easy access to the aisle and the restroom.
- **Middle seat:** May be less desirable due to lack of privacy and aisle access.
- **Upper/Lower berth:** Lower berths provide more space and privacy, while upper berths offer panoramic views.

Additional information:

- The coach layout can vary depending on the train and class of travel.
- Some trains may have dedicated coaches for ladies, senior citizens, or the differently-abled.
- Passengers are advised to consult the seat map carefully to ensure they have chosen the correct berth or seat.
